

Chapter: 1400

“Sister-in-law?”

But at this moment, a call came from behind Zhao Yanzhi.

As soon as Zhao Yanzhi turned his head, he saw a heroic man walking towards her.

Wang Yun and the others were also shocked and surprised:

“Mu Lingshan, why are you here? Aren’t you working in the blood prison?”

They all know that the brawny man in front of him went to the blood prison to practice three years ago. , Has been serving in the blood prison ever since.

But now in the blood prison, it is said that he still mixed well and became a little boss.

They hadn’t seen Mu Lingshan for three years, but they didn’t expect that Mu Lingshan would be here.

At this time, Mu Lingshan smiled mysteriously, and said astonishingly:

“That’s because tonight, the dark emperor will also appear here, and the blood prison mad god specially ordered me to take charge of the security work!”

Wow!

Hearing this, the whole hall was in an uproar!

Everyone suddenly looked at Mu Lingshan with horror.

The dark emperor, will also appear at this banquet?

OMG!

Is this a feast for kings?

Now!

Everyone’s faces were filled with excitement and ecstasy!

That being said, they are not only lucky enough to meet Lin Zuo tonight, but also have a chance to get to know the King of Blood Prison?

Two supreme kings, about to appear in front of them?

Even Wang Yun and the others were completely stunned, looking at Mu Lingshan in disbelief:

“Lao Mu, you can be responsible for the security of the dark emperor, are you too awesome?” The words came out!

Everyone immediately looked at Mu Lingshan in unison, with envy and jealousy in their eyes.

If you can give the Dark Emperor responsible for security, wouldn’t you have a chance to be familiar?

In the future, it can be called a promising future!

And upon hearing this, Mu Lingshan also smiled triumphantly:

“Thanks to the blood prison mad god for showing love, I have this opportunity!” The same!

He was also very excited, because today he can finally see the supreme existence of the blood hell.

“Lao Mu, you are the best in our group now. How many brothers can you take care of then?”

Feng Shaoting and the others flattened out.

Since Mu Lingshan had been known by the blood prison mad god, it was just around the corner to become the dark emperor’s subordinate.

“It’s all brothers, why are you talking about this?”

Mu Lingshan said irritably, but the smug smile at the corner of his lips couldn’t be hidden.

At this time, Mu Lingshan smiled and looked at Zhao Yanzhi:

“Sister-in-law, why are you alone, didn’t Brother Lin come?”

Upon hearing this, Zhao Yanzhi suddenly became embarrassed and said strangely,

“Don’t yell. , The eight characters haven’t been written yet! ”

Just!

Between her eyebrows, a touch of arrogance also appeared, expecting Mu Lingshan to reveal her identity.

And Mu Lingshan didn’t disappoint her, he laughed and said:

“Okay, who doesn’t know that you are the heart of the second Shaolin Tianxun of the Lin Family, this sister-in-law is just a matter of time!”

Boom!

Everyone was shocked again!

Those present were all upper-class people, and naturally they knew how noble the status of Lin Tianxun was.

And now...

they all looked at Zhao Wanzhi in horror, feeling a bit weird, this woman turned out to be Lin Tianxun’s woman?

Not just them!

Even Bai Yi at this time couldn’t help but pale with a pretty face!

Lin Tianxun, the Lin family’s most business-minded genius, made the first pot of gold in his life by trading stocks at the age of fifteen, a full 100 million!

Today, the Lin family has more than half of the property, which he takes care of himself, and profits are rising steadily every year.

and!

In the capital, Lin Tianxun has always been known as a popular lover. I don’t know how many ladies admire him and want to climb onto his bed.

Can this woman win the favor of the second young master of the Lin family?

Doesn’t that mean that she is very likely to be the second youngest grandmother of the Lin family?

What’s more, it is possible to become the mistress of the Lin family!

Her heart suddenly sank to the bottom, and at this time it was already at the extreme of anxiety.

At the moment, everyone’s eyes looked at Zhao Yanzhi with deep awe and envy.

Especially the women present, one by one burned with jealousy, wishing to take Zhao Wanzhi alive.

Feeling the envy and jealous gazes of everyone, Zhao Yanzhi’s vanity at this time was swollen to the extreme, and he said triumphantly:

“Since you call me sister-in-law, the kid sister-in-law has something to help you, can you help? ”

Then you have to help! Otherwise, Brother Lin will have to beat me!”

Mu Lingshan smiled.

“Okay!”

Zhao Yanzhi smiled fiercely, and then pointed to Lin Fan suddenly:

“I want you to help me and destroy him!”
