

# Chapter: 1402

Everyone looked at Lin Fan with a look of madman.

A rubbish, they didn't even pay attention to the two king-like existences, they really couldn't figure out where Lin Fan came from with confidence!

Especially when the two kings are coming, they dare to talk nonsense like this.

They even admire Lin Fan's courage!

This guy is really not afraid of death!

"Hahaha..."

Wang Yun recovered from his astonishment and burst into laughter directly, only feeling that he heard the funniest joke in the world.

"Lin Fan, from the beginning we met, I found that you have been digging its own grave. To tell the truth, you are not already take things too hard, and deliberately commit suicide ah?"

"It's no wonder, then break off an engagement is Zhao Dinner Gardenia, now gave My wife is cuckold. If I were you, I would die too!" At this time, Wang Yun and others felt comfortable, because they would kill Lin Fan without them in the future.

This guy is dead today!

On the side, Zhao Yanzhi shook his head, the contemptuous sneer on his face getting stronger.

Originally, she really thought that Lin Fan would be able to impress her today, but in the end, there was no change except for the big talk in the audience.

Sure enough, waste is waste!

I was so naive, I thought he would be different from before.

Now!

Mu Lingshan hummed heavily, completely losing his patience:

"Lin Fan, now kneel and kowtow to apologize and get out of here, I can spare you not to die!"

This kind of idiot, he feels sick even looking at it more!

Now I even feel that Lin Fan doesn't even have the qualifications to die in his hands!

just!

Lin Fan still looked so frivolous and arrogant:

"Let me kneel, you are not worthy!"

Boom!

Everyone was completely shocked!

They were looking for death again and again, and they were completely stunned by Lin Fan's inexplicable behavior.

even!

They are also wondering if Lin Fan is really begging for death!

Otherwise, how could you be so reckless?

"He is not qualified, am I enough?"

Wang Yun stood up and stared at Lin Fan coldly.

"Lin Fan, don't talk nonsense anymore, just beg you."

Bai Yi pleaded bitterly, wishing to sew Lin Fan's mouth, this guy still hasn't figured out the situation.

Obviously he has no ability and no background, but he is looking for death one after another!

This is simply a brain problem!

Except for a mouth that refused to accept softness, Lin Fan was completely useless.

Bai Yi regretted this time!

I shouldn't have come to this banquet because I was too self-willed to cause this result.

"Lin Fan, you quickly apologize to them!"

In her opinion, it is impossible for Lin Fan to match these evil ones. If he doesn't apologize, his death is really near.

"Lin Fan, even your wife despises you!"

Zhao Yanzhi giggled, the ironic smile on his face grew stronger.

However, Lin Fan remained unmoved, and glanced at Wang Yun indifferently:

"Sorry, you are not qualified!"

"What about me, then?"

Zhu Yiqun's eyes showed surging murderous intent, and he strode out, already wanting to smash Lin Fan's body into pieces.

"Still not enough!"

Lin Fan still shook his head indifferently.

"Then what about me?"

Feng Shaoting also walked out, with a malicious smile on his face.

"Not enough!"

"Hehe, then add me!"

Zhao Yanzhi snorted coldly and glared at Lin Fan. She has had enough of Lin Fan's endless pretense.

So she couldn't wait, now she was going to completely mutilate Lin Fan, and then let him kneel in front of her like a dog.

Wow!

Everyone exclaimed, even Lin Tianxun's woman stepped forward.

Doesn't this mean that Lin Tianxun is taking the shot?

In their eyes, Lin Fan is already dead!

Now!

Everyone showed a grinning smile and looked at Lin Fan contemptuously, looking forward to seeing how unlucky Lin Fan was.

just!

Facing the menacing young masters, Lin Fan didn't have the slightest fear, but the expression on his face became even more contemptuous!

"All of you add up, it's not enough!"
