

Chapter: 1410

After hearing these cold-faced and merciless words, Feng Shaoting and his party burst into tears and wailed hysterically.

“Wrong, I was wrong! Don’t kill me! Don’t hurt me!”

But Long Jiu and other big men smiled at this moment and winked at the people at hand.

Swish!

On the spot, a group of strong men rushed up and pressed Feng Shaoting and others to the floor.

“Break their legs!”

Click!

Click!

A crack of bone followed!

Ouch!

Immediately afterwards, the heart-wrenching screams burst out from the mouths of those evil little ones.

Two of them passed out on the spot.

Seeing this, Wang Yun and Mu Lingshan had scalp tingling at the same time!

But Lin Fan smiled slightly:

“Don’t worry, I won’t hurt you two!”

“From today, you will be kicked out of the Dragon and Tiger Legion and the Blood Prison, and will never be hired forever!”

What!

This sentence is what really made Wang Yun and the two crazy.

Kick out of the Legion and the Blood Prison!

It’s better to kill them!

At the moment, Wang Yun cried and shook his head, in pain:

“No, Lin Zuo, please don’t do this to me. It took me five years to join the Dragon and Tiger Legion!”

On the side, Mu Lingshan was also right. Lin Fan kept kowtow, with a deep regret on his face:

“Wang, you are the most admired person in my life. I have vowed to be loyal to you until I die! Please don’t deprive me of this glory, I beg you!”

He was going crazy!

In order to join the Blood Prison, after three years of life and death, he has stepped into the ghost gate several times with one foot.

For him, joining the blood hell is an honor!

And he also cherishes the feelings between him and his brothers. He has already vowed to be together for the rest of his life.

But now...

he insulted the soul of the blood prison, the supreme dark emperor, is about to be kicked into the blood prison, it is better for him to kill him.

Expelled by the blood prison, he will forever lose the glory of that strong man and become an ordinary person.

He didn’t want to, even more unacceptable!

Bai Hu and Mu Lingshan felt regretful, and they could say that they did everything in order to come under Lin Fan’s command.

All their glory is given by Lin Fan!

But now, Lin Fan wants to take back this glory!

This makes them completely crazy!

The two big guys with strong bones were already crying heartbreakingly at this time, and they kept kowtow to Lin Fan.

just!

Lin Fan was still unkind, and said indifferently:

“I have given you a chance! Now, you can get out of here!”

He does not hurt Wang Yun and both, because the punishment at the moment is more than directly hurting them. Make them desperate and painful.

“No, king! Give me another chance, I beg you!”

“Lin Zuo! My most respected Lin Zuo, please forgive me, I am willing to do anything, if you feel that it is not enough to relieve your anger, or else Just interrupt my leg!”

However, Lin Fan remained silent and resolute!

See here!

It was as if they had been drained of all their strength, and they sat weakly on the ground, their faces like ashes.

Huh!

Just now!

Lin Fan looked at Zhao Yanzhi:

“I said I am Lin Zuo, now you are credible? Now, do you still think I am not worthy to even carry shoes for Lin Tianxun?”

Wen Yan!

Long Jiu and others cast a contemptuous look at Zhao Yanzhi.

This woman, because of her identity with Lin Tianxun, considers herself upright, but what is the result?

A laughingstock!

However, Zhao Yanzhi seemed to admit his fate, calmly looking at Lin Fan, a sneer appeared at the corner of his mouth:

“How do you plan to punish me next?”
