

# Chapter: 1411

just!

Unexpectedly, Lin Fan smiled slightly:

“I am not going to punish you, because you have already received the punishment you deserve!”

Boom!

Heard this!

Zhao Yanzhi’s face turned pale suddenly, only to feel that his chest was severely stabbed, making it hard to breathe in pain.

She did get the punishment she deserved!

It can even be said that she is the most painful and regrettable person among Wang Yun and others, because she has lost more than everyone combined!

She missed a natural king!

Lost a great opportunity to become a queen!

It’s like a poor man, knowing that he won the 50 million lottery ticket, only to find that the lottery ticket has been lost.

That kind of pain is enough to drive a life crazy!

Therefore, every time I think about Lin Fan’s current status and think that I missed her, it is enough to make Zhao Yanzhi unable to let go of this life.

“Next, take care of it! Today’s banquet is over!”

Lin Fan said to Long Jiu with an indifferent expression.

Then, he chased out without looking back, planning to find Bai Yi.

Wow!

Seeing this, everyone present was wailing, and their faces were full of unwillingness.

They came all the way for Lin Zuo, but before he could cheat, Lin Zuo wanted to leave angrily.

Let them all feel lost!

Right now!

All of them looked at Zhao Weizhi and the others together, with strong hatred in their eyes.

In their view, it was because these idiots offended Lin Zuo that they were also angered by Lin Zuo and missed the great opportunity to cheer Lin Zuo.

Today, Lin Zuo has left.

If you want to see Lin Zuo again, you don’t know the year of the monkey, and you may even be hopeless in this life.

How can they not hate it?

“Hahaha, I’m so amazing! I actually rejected Lin Zuo and the Dark Emperor at the same time, I am the real first lady!”

At this time, Zhao Yanzhi seemed to be crazy and laughed madly.

It’s just a smile, but tears of regret are glowing.

“No one in the world can be worthy of me, not even Lin Zuo and the Dark Emperor, hahaha!”

Everyone looked at Zhao Yanzhi in horror, this woman... is this crazy?

It’s no wonder that if you are any woman, you would have the opportunity to become the first lady, and you will be the first lady in your life, but because of your own stupidity, you will miss such an opportunity, I am afraid you will go crazy.

“Kick her out, don’t be ashamed of me!”

Long Jiu said with disgust, without sympathy at all.

In his opinion, Zhao Yanzhi was purely asking for it!

At the same time, Long Jiu looked at the people present and said indifferently:

” Everyone ! I won’t say anything extra. If Lin Zuo knows that today’s matter is leaked out!”

“I think the consequences, no need. Did I say it?”

Threat!

Naked threat!

All the people present showed bitter smiles.

Since Lin Zuo dared to break the legs of a few older and younger here, and let them leave alive, it has already explained everything.

He was not at all afraid of Wang Yun and others saying it, anyway, for the blood prison, killing a few people was just a breeze.

And this time!

Lin Fan had already come outside, and just saw Bai Yi squatting in a corner, wiping tears constantly, crying faintly.

Seeing this, Lin Fan couldn’t help feeling a little distressed, and walked up slowly.

Seeing Lin Fan coming, Bai Yi turned his head angrily, as if not seeing him.

Obviously still sulking!

And Lin Fan also smiled bitterly:

“Lin Zuo is here, don’t you go and see?”

Bai Yi ignored him.

“He knew what happened just now, and he cleaned up Wang Yun and the others fiercely. Several of them had their legs broken.”

What!

Bai Yi’s expression finally changed, and he looked at Lin Fan in disbelief:

“What you said is true?”
