

Chapter: 1412

She couldn't believe her ears.

How is this possible?

Lin Fan obviously pretended to be Lin Zuo in public, why did Lin Zuo only punished Zhao Yanzhi and others, and let Lin Fan alone?

This is impossible!

"Lin Fan, tell me why Lin Zuo let you go!"

Bai Yi stared at Lin Fan suspiciously.

Lin Fan shrugged and said:

"I told Lin Zuo all the ins and outs of the matter, and then he became furious when he heard it. As for the impersonation, he didn't care about me, maybe he didn't put me in his eyes?"

Phew!

Bai Yi finally let out a sigh of relief, not knowing how to feel, this time it was Lin Fan's incompetence that saved him?

It is estimated that Lin Zuo felt that he and a trash son-in-law seemed very cheap, so he didn't embarrass Lin Fan, right?

then!

She suddenly thought of something.

It was looking at Lin Fan with some suspicion, and questioned:

"Lin Fan, you always let me see Lin Zuo, do you want to give me to Lin Zuo?"

"In exchange for glory and wealth?"

She suddenly remembered. , What Lin Fan said when facing Zhao Weizhi and others before, now he thought Lin Fan didn't want him.

what?

Lin Fan looked dumbfounded and said,

"Why do you think that?" The reason why he urged Bai Yi to see Lin Zuo is because Lin Zuo is him. How could he give his wife his hands?

Isn't that true tortoise slave?

Bai Yixuan wanted to cry, but at this moment, she was aggrieved and cried:

"The feeling you gave me is! Even when you were at the banquet, such nonsense, I also think you want to throw me to Lin Zuo, so you dare to be so bold!"

Lin Fan laughed dumbly, and was surprised by the woman's magical brain The circuit amused, and comforted:

"My wife, don't worry! Even if I sell myself, I won't sell you!"

Hear this!

White Iraq could not, suddenly flew into the arms of Lin Fan, broke down in tears and said:

"Lin Fan, I only recognize you in this life this man, regardless of wealth and poverty, you can not do me ah!"

"Otherwise, I How can you live?"

Boom!

At this moment, Lin Fan suddenly shook his whole body, as if he had been struck by an electric switch, his face was full of consternation.

All over!

Thoroughly tight and stiff!

At this time, he only felt that his heart was arrogantly showing warmth, which made his nose sore.

"Why don't you speak? Are you unwilling to grow old with me?"

Seeing that Lin Fan didn't say anything , Bai Yi suddenly panicked.

Raising his head and looking at Lin Fan nervously, he looked like a little lover who was afraid of being abandoned by a man.

just!

At this moment, Lin Fan said with a hoarse voice:

"Bai Yi, shall we hold a wedding?"
