what!

As soon as this remark came out, everyone was stunned, and then contemptuous smiles appeared on their faces one after another.

Does Lin Fan have no eyes when he sees Lin Fan?

I am afraid that I am blinded only by seeing this waste, right?

Li Xian was also mad. She didn't know what devil his father was doing. From a young age, she loved Lin Fan a lot, sometimes even better than her biological daughter.

Even if he finds a beloved son-in-law, he doesn't give a good face.

But when Lin Fan came, he was as happy as meeting his own son, even if Lin Fan was like a dog now.

Now!

To ease the atmosphere, Lin Fan smiled and said to Zhou Peize:

“You may have misunderstood, I have only regarded Li Xian as a younger sister since I was a child, and I have never thought of her too badly!”

just!

His explanation, in Zhou Peize's eyes, is a sign of weakness!

therefore!

The complacency on Zhou Peize's face became more intense, and he secretly scolded Lin Fan as a brave gangster, so he was shocked!

Then, he snorted coldly:

“Brother? The sourness on your body almost stuns me! Just your trash, qualified to be Li Xian's brother?”

“Don't think I don't know. Lin Fan has lived in Li Xian's house for three years, so you dare to put gold on your face? If you are done well, are you planning to curry favor with your relatives?”

These words immediately made Lin Fan frowned!

He has decided to settle things down, but the other party has repeatedly been aggressive!

Isn't it too smug?

“Enough! The surname Zhou, you have a few stinky money that is great, right?”

Li Xiuyun was furious and yelled directly at Zhou Peize:

“Since you look down on our children, go away! Our Li family, you are not welcome!”

boom!

The audience was shocked!

All the guests present were completely confused!

There was a deep disbelief in his eyes, and he couldn't believe his eyes anymore.

Li Xiuyun was going to sweep out Zhou Peize's golden turtle son-in-law for such a waste?

This is crazy!

Right now, Zhou Peize's expression was extremely gloomy!

Immortal!

The young boss of his own group, in Li Xiuyun's eyes, is actually not as good as Lin Fan?

“It's alright, one less sentence, today is Li Xian and Xiao Zhou's big day, what are you doing, old man?”

For fear of Zhou Peize's anger, Wang Yanli hurriedly stood up to speak, and at the same time gave Li Xiuyun a threatening look.

Li Xiuyun snorted coldly, and then closed his mouth with a look of displeasure, and drank sullenly by himself.

Now!

Wang Yanli cast a look at Zhou Peize:

“Xiao Zhou, don't you have a good message to tell your uncle?”

”

Hear the words!

Zhou Peize reacted immediately, with a deep complacency on his face:

“Uncle Li, I have successfully obtained the qualification to enter the forest seat banquet!”

boom!

As soon as this remark came out, the audience was shocked!

Everyone suddenly looked at Zhou Peize in shock, one by one couldn't believe their ears.

Could they have heard it wrong?

Can Zhou Peize go to Lin Zuo's banquet and meet Lin Zuo face-to-face?

OMG!

What an honor is this?

It's incredible!

They had heard that Lin Zuo invited all the top dignitaries and hegemony-level figures of China.

The dignitaries of the entire China, in order to snatch an invitation letter, it can be said that they broke their heads desperately.

It is said!

Even the provincial-level high-level officials cannot enter the banquet venue and are not favored by Lin Zuo!

But now, Zhou Peize says that he has already obtained the qualifications for admission?

For them, this is almost the same as the probability of winning a lottery. It is so incredible!

They dare not even dream of it!

And this time!

Li Xian looked at Zhou Peize with admiration:

“My dear, you are amazing! You are much better than some people's crap!”

“It's someone else, I'm afraid I won't be qualified to see Lin Zuo in this life?”

Finished!

She was extremely humiliated, and glanced at Lin Fan!
