

Chapter: 1417

She was deliberately warning Lin Fan that she had already found a rich second generation, and she would definitely not like Lin Fan's so poor.

Lin Fan doesn't have to bother in vain!

No matter how her father values Lin Fan, in her eyes, Lin Fan is unworthy of giving Zhou Peize the shoes!

at least!

Zhou Peize can get an invitation letter just casually.

But what about Lin Fan?

He guesses that he doesn't even know who Lin Zuo is, right?

This is the gap!

She and Lin Fan are destined to be people of two worlds!

"Lao Li, your son-in-law is really capable. You can get Lin Zuo's invitation letter. I heard that it's hard to find money!"

"I heard that the people who can get invitations from the Lin Zuo are all famous and famous! You son-in-law, you are not an ordinary person!"

"I really envy you! With such a golden tortoise son-in-law, why don't your Li family worry about flying?"

The neighbors, relatives and friends present all looked envious!

Obviously this time, it has been completely shocked!

just!

Li Xiuyun snorted unconvinced:

"Isn't it just Lin Zuo's admission qualification? What's so great, Lin Fan has arranged it for me long ago!"

Huh!

For an instant, there was a dead silence in the audience!

Everyone's smiles completely solidified after hearing Li Xiuyun's words.

Lin Fan, have you arranged it?

Is this guy able to qualify for Lin Zuo's admission?

Are you kidding me?

Does the admission qualification mean take it?

If it is Zhou Peize, they still believe it is possible!

As for Lin Fan...

Everyone glanced at him contemptuously. It was just this sullen look. It was not an exaggeration to say that the roadside scavengers were not exaggerated. This kind of stuff is qualified to enter the banquet venue of Lin Zuo?

Not to mention helping Li Xiuyun and others get admission!

It's ridiculous!

Therefore, after hearing Li Xiuyun's words, Li Xian's pretty face suddenly showed strong disdain:

"Dad, can he get admission to Lin Zuo's wedding banquet? Don't make me laugh!"

At the same time, Zhou Peize's face was also full of mockery:

"Yeah, uncle, even I took a lot of effort to get this admission qualification. What kind of identity can he invite Lin Zuo to personally?"

"You have to know that you know people and don't know your heart, but don't let some caring people be fooled!"

Now!

Everyone stared at Lin Fan with a sarcasm, as if they were watching a joke.

Obviously!

They also felt that Lin Fan was lying!

Wang Yanli couldn't help but shook her head. With such a lie that can be seen through at a glance, her husband could be deceived?

It's so naive!

Immediately afterwards, the expression in her eyes looking at Lin Fan was a little more hostile.

In her opinion, Lin Fan would fabricate such a lie, and it must be a plot against their family.

After all, Lin Fan has been separated from them for so many years, and they don't know who Lin Fan is today!

"You fart!"

Li Xiuyun flushed with anger and roared:

"My son will never lie to me! Lin Fan, tell them, what is your identity?"

He didn't believe Lin Fan would lie to him!

In other words, he believes that Lin Fan must not be a waiter!

He must have an extremely extraordinary background in order to qualify for Lin Zuo's wedding banquet!

just!

Lin Fan gave a wry smile and said:

"Actually, I'm waiting for work at home!"

Wow!

All the seats are in an uproar!

Unemployed at home?

Isn't that unemployed?

Hahaha!

There was a burst of neat laughter from the audience, and everyone was full of belly laughter and was completely amused.

unemployed?

Lin Fan was even worse than they thought. He didn't even have a decent job?

Isn't this too promising?

Such waste can let Lin Zuowang open up and invite admission?

Don't laugh so hard!

On the side, Li Xian also shook her head sarcastically, and the contempt and disgust in her eyes became a bit richer.

especially!

Thinking of her father on the spot, after trying his best to match her with Lin Fan, she felt disgusting in her heart!

At this time, she didn't even want to look at Lin Fan again!

It seems that if you look at it more, your eyes will be stained.

Simultaneously!

Zhou Peize was also obviously startled, and immediately laughed loudly:

"A piece of trash that doesn't even have a job can get admission to the wedding banquet? Are you blind as a forest seat?"

"You really are a liar!"
