con man?

For a moment!

Everyone was vigilant, and the eyes that looked at Lin Fan were full of hostility.

Obviously, they all feel that Lin Fan's peace and kindness!

Even Li Xiuyun himself was dumbfounded on the spot!

He knew that Lin Fan was not a liar, but what he didn't expect was that

Lin Fan turned out to be a vagrant?

Could it be that I really missed it?

And this time!

Li Xian stared at Lin Fan, as if to eat people:

"Lin Fan, say! Why are you lying? Are you trying to lie to my dad for money?"

She knew that Lin Fan was the one that Li Xiuyun loved the most, and

Lin Fan was very likely to use this to cheat money.

Before Lin Fan could speak, Li Xiuyun said impatiently:

"Don't talk nonsense! If you have no job, you have no job, that's my son!"

"Lin Fan, if you don't have any money, I'll ask for your Uncle Li. They

are all a family!"

what!

Li Xian's expression suddenly changed, and she looked at Li Xiuyun in disbelief:

"Dad, you!"

Lin Fan, he is obviously a liar!

But when Li Xiuyun knew about it, he still protected him everywhere?

Even plan to offer him money?

This is crazy!

On the side, Lin Fan's heart was already full of warmth, and he could

clearly feel that Li Xiuyun's love for him came from the heart and from

the bottom of his bones.

Others, fear him!

Fear him!

Be free, Li Xiuyun, love him!

Really treat him as his own child!

Seeing this, Zhou Peize's eyes also showed strong hatred, and then he

sneered:

"Isn't it just money? Waste, at the door of my group, it happens that

there is still a lack of security!"

"Well, you go and show me the door. For the sake of your

acquaintance with the Li family, how about I give you 30,000 per

month, hahaha?"

Thirty thousand?

The neighbors present were suddenly jealous!

Just look at the door, it costs 30,000 yuan a month?

OMG!

This is too generous, right?

"Xiao Fan, thank you Xiao Zhou, this is a once-in-a-lifetime

opportunity, don't miss it!"

Wang Yanli hurriedly urged.

just!

Lin Fan smiled slightly, shook his head and said:

"No need Aunt Li, I'm fine now!"

Just listen to this!

Everyone sneered, and it was the kind of laughter, without any disdain

or disdain to conceal themselves.

pretty good?

No work, it's good to be a wasteful food waiting to die?

This kind of man is really rubbish!

But Wang Yanli's expression suddenly stiffened, and a touch of

discomfort appeared on her face.

I don't want the 30,000 yuan for nothing, I would rather eat and wait to

die, really not enterprising!

If Li Xian really followed such a person, I don't know how miserable it

would be!

just!

Li Xiuyun was still boasting, and scolded angrily:

"My son is going to be a big man, you let him be a security guard?

Who do you look down on?"

But his words, not only did not resonate, but made everyone even

more contemptuous.

I think he is crazy, so I feel that Lin Fan's non-aggressive waste can fly

away!

Hahaha!

Zhou Peize burst into laughter, laughing wildly and presumptuously,

and at the same time gave Lin Fan a thumbs up:

"Cow! You can be so arrogant and brazen, I only admire you!"

"My dear, you have seen it too, it's not that I don't help your brother,

it's that he can't support the wall with mud!"

Humph!

Upon hearing this, Li Xian also snorted coldly, and said angrily:

"Don't talk nonsense, he is not my brother! And what do you care

about him, he would rather be a trash all his life, what does it have to

do with me?"

"Lin Fan, you can get out of here! Don't come to my house and disgust

us!"

boom!

As soon as these words came out, Li Xiuyun directly exploded his hair.

He slapped the table suddenly, his eyes seemed to burst, and pointed at

Li Xian angrily:

"You tell me again?"

Li Xian was surprised at first, and then directly pushed Zhou Peize out.

Zhou Peize suddenly sneered:

"Li Xian was wrong. This trash makes us feel sick, so I want him to get

out of here!"

"Otherwise, I will let my bodyguard break his leg!"

what!

Li Xiuyun's face suddenly became extremely ugly, and Ji pointed at Li

Xian:

"Li Xian, you are so good. Your wings are hard, right? I thought that if

you married your husband, you could not put me in your eyes and let

your man challenge me?"

But Li Xian, with a cold face, seemed to express his attitude!
