

Chapter: 1419

suddenly!

Li Xiuyun furiously attacked his heart, his face pale and terrible, and he fell back into the chair feebly!

“Old Li!”

Everyone was shocked and yelled!

They all know that Li Xiuyun has high blood pressure, so he can't get angry!

Li Xiuyun pointed her finger at Li Xian, but was so angry that she couldn't say a word.

The adopted daughter is so old. As a result, as soon as the daughter finds a man, she asks her own man to confront her old father. Which father can not be sad?

What's even more exaggerated!

At this time, Li Xian still looked indifferent, and she didn't even look at Li Xiuyun, as if it was not her biological father who had the disease.

“Lin Fan, you have also seen that your uncle is unwell, you should leave today, don't cause trouble again!”

Wang Yanli said with an unhappy face, and directly ordered Lin Fan to chase away guests.

“Yeah, Lin Fan, what are you doing with other people's housework? Do you really think of yourself as the Li family?”

“Ho ho, I saw when I was a kid that this kid is promising, sure enough! When I grow up, I rely on scams and kidnappings to make a living!”

“You go quickly, Broom Star, and see how your Uncle Li is angry with you?”

Those neighbours in the neighbourhood suddenly complained with anger, and now they are all attacking Lin Fan frantically in order to curry favor with Zhou Peize.

It looked like he was about to step on Lin Fan's soles!

just!

Unexpectedly, Lin Fan laughed instead of anger, and looked at everyone faintly:

“You guys, are you sure you want me to go?”

Wow!

After hearing this, Zhou Peize, Li Xian and others laughed out loud as if they had heard the best joke.

His face was full of contempt!

“If you want to get out, get out, don't pretend to be there! You seem to have a good background!”

Li Xian said in disgust, and the contempt in his eyes became intensely sarcasm.

Lin Fan's tone was as if all of them would regret as long as he left. It was ridiculous!

joke!

At this moment, Lin Fan was a big joke in the eyes of Li Xian and others!

A rubbish rolls away, what's so great about it?

Even dare to put on airs?

Do you really think someone will keep him?

And this time!

Lin Fan didn't say anything anymore, and nodded with a smile:

“Okay, then I'll go first!”

Since these people don't know the goods, there is no need for him to stay here.

At this time, Lin Fan didn't even bother to confess his identity, because in his eyes, these people were simply not qualified to know him.

Talking!

Lin Fan got up and planned to leave!

And this time!

Everyone is full of contempt, and no one takes him seriously!

But right now!

The sound coming from outside the door completely shocked everyone present!

“General Baihu is here!”

what!

Everyone was in an uproar!

A pair of eyes looked at the door in disbelief!

General White Tiger, isn't that a three-star warlord of the White Tiger Army?

Everyone knows that Bai Hu is a lover of Dragon Tiger and God of War, and belongs to Lin Zuo's command!

With such an existence, how come a little Li's family came to be?

Now!

Everyone is flattered!

Was completely shocked!

Those faces showed incredible expressions.

At this time, Li Xian also looked at Zhou Peize in an unbelievable way, and exclaimed:

“Pei Ze, the fierce general under Lin Zuo, came to see you in person?”

Wow!

Everyone looked at Zhou Peize in amazement, the White Tiger Battle will come to Zhou Peize?

Zhou Peize not only obtained the qualification for Lin Zuo's wedding banquet, but also invited the White Tiger to personally invite him?

This is too good, right?

At this moment, the atmosphere completely fell silent!

Everyone present stared at Zhou Peize with a shocked look, with deep admiration and envy.

Even Wang Yanli and Li Xiuyun felt that their hearts were raised in their throats when they heard this.

I can't say any words of surprise!

That's the White Tiger general!

The personal guards called Lin Zuo are not good enough. If you can get acquainted with him, it is a matter of time to compare with Lin Zuo.

At this time, Zhou Peize was simply eye-catching, and everyone stared at him with admiration.

Even Zhou Peize has been dumbfounded!

Could it be that the White Tiger Warrior really came to find himself?

But I don't even know him!

just!

It's just that he didn't think too much, after all, in this room, besides him, who else is qualified to let the White Tiger come to visit in person?

Right now, he said triumphantly:

“Just calm down, it's not the White Tiger general, what's all the fuss about, I guess it's here to invite me to the Lin Zuo wedding banquet!”

“Don't talk nonsense for a while, lest you lose my face!”
