

Chapter: 1425

Hearing Bai Yifan's almost humiliating words, all the bosses suddenly looked embarrassed, suppressing the anger in their hearts.

This horoscope is still not scribbled, so have you started to set the score first?

But now, they dare not speak, after all, the current Bai family is the celebrity in front of Lin Zuo.

They can't afford to offend!

And just now!

Suddenly there was a communication from the door:

"Bai Yi, Lin Fan is here!"

what!

Hearing this report, the Bai family's face was completely gloomy.

There was a deep anger in that eye.

It's not just the Bai family!

The guests present also showed playful smiles. They had also heard that Bai Yi, the granddaughter of the Bai family, married a trash, but it was the trash that caused them to eat again and again. Big loss.

Now that he dared to go to the door, there is a good show to watch this time!

"It made our Bai family so miserable, they still have a face!"

Old man Bai suddenly snorted coldly, with a deep hatred on his face.

now!

They don't have to be afraid of Lin Fan and Bai Yi anymore, because now they are favored by Lin Zuo, so they need to look at Bai Yi's face?

From now on, Bai Yi can do nothing about them anymore!

All the Bai family members are also aware of this, so they are all arrogant and full of disdain.

In their eyes, Bai Yi and Lin Fan are like ants.

"Grandpa, in my opinion, it must be Bai Yi and they knew that we were invited by the Lin family, so they planned to come to curry favor with our Bai family."

Bai Yifan snorted coldly, his face full of complacency:

"It's shameless to want to come to court after cheating on our Bai family!"

"Grandpa, you can't be soft-hearted!"

Softhearted?

The old man Bai suddenly sneered and said:

"I kill them all, so how can I feel soft?"

"Wait! Once our Bai family rises up, I will definitely have to pay a heavy price for Lin Fan and Bai Yi! Regain the family business that belongs to our Bai family!"

The voice just fell!

Lin Fan and Bai Yi came together hand in hand!

The two originally didn't want to come to this ghost place again, but as a junior, they were married, and out of courtesy, they had to personally invite the elders in the family.

just!

The moment when the two talents just stepped into it!

The old man Bai was angry at each other, and then angrily scolded:

"What are you doing here? Get out of me!"

Wow!

Bai Yi was completely stunned!

She didn't even think that she would invite grandpa to a banquet by herself, but the door still didn't enter. She had been treated like this for a century.

It's not just Father Bai, everyone in the Bai family is also glaring at them at this time.

There was a strong resentment in those eyes, as if he was anxious to smash Lin Fan's body into pieces!

"Lin Fan, do you guys and dogs still have a face?"

"Dog men and women! Didn't you make my Bai family miserable enough? Are you here to find death when you come here?"

Now!

A vicious insult was heard one after another!

See here!

Bai Yi's face was completely gloomy, and his heart was completely cold! Their family was thinking of redeeming this family relationship, but the Bai family simply dismissed them and didn't treat them as human beings.

At this time, Lin Fan also smiled, with such contempt and disdain.

The Bai family, I'm afraid they won't repent until they die!

At this time, Bai Yi suppressed the anger in his heart and said indifferently:

"Grandpa, I will hold a wedding banquet with Lin Fan in Tianjiu Huafu three days later, I hope you can come and participate!"

laugh!

As soon as the voice fell, ridicule was everywhere!

"Bai Yi, don't dream! Marrying this trash has lost the face of our Bai family for so many years, and now you want us to attend your wedding? We can't afford to lose that person!"

"That is, we are going to attend a dignified wedding banquet in three days. How can we have time to take care of you couple of dogs?"
