coming!

It's finally here!

Everyone present was full of excitement!

One by one held their breath, staring at the deepest part of the passage!

And this time!

Everyone in the Shen family glanced at each other, and they all laughed unkindly.

It is indeed coming!

Bai Yi is about to die!

“Bai Yi, what are you waiting for, go!”

At the other end of the passage, Shen Jian and his wife also urged Bai Yi.

Looking at the group of people pressed by the black, Bai Yi said uneasy:

“Is this really for me? I don't think it's possible! Sure, they really made a mistake?”

Hear the words!

Cuiping and Shen Jian suddenly changed their expressions, and then smirked:

“How can there be fakes? Don't you think it says congratulations on Mr. Lin and Mrs. Lin's wedding?”

“It must be you!”

Talking!

Without knowing it, Bai Yi was pushed out fiercely!

Bai Yi staggered and almost fell to the ground, and was exposed to everyone at this time.

“Bai Yi? How is it possible?”

When everyone in the Bai family saw Bai Yi, their expressions were immediately full of shock!

They are damned!

“Why is this?”

Elder Bai also trembled all over, he finally knew why Lin Zuo would issue an invitation to their little Bai family.

This is all because Lin Zuo is Lin Fan!

At this time, his eyes were dull, with deep horror and disbelief in his eyes.

Lin Fan!

This trash door-to-door son-in-law, turned out to be Lin Zuo?

They can't believe their eyes!

Bai Yi is the first lady!

Lin Fan is even the Chinese army seat!

Especially Bai Yifan!

At this time, his expression was completely distorted, and his eyes were covered with bloodshot eyes of horror!

Lin Fan, is Lin Zuo?

And he wanted to kill Lin Zuo?

moron!

This is absolutely idiot!

Right now, he knelt on the ground with a puff, his hands firmly grasped the trouser legs of the old man, and he begged desperately.

Grandpa save me! Save me! I don't want to die!

He remembered what he had done to Lin Fan and his wife in the past, and now he realized there was a dead end. With Lin Zuo's ability, he could be crushed to death with just one finger!

Regret it!

Also completely frightened!

just!

There was also a strong bitterness on the face of Old Man Bai, said, Now that our Bai family is already unable to protect itself, what can we do to save you?

They refused Lin Zuo's banquet and insulted him.

Now their fate is almost the same as that of Bai Yifan.

It's not just him!

Because of them, once again rejected the great opportunity!
