

Chapter: 1432

Congratulations from the whole city!

How shocking?

The eyes of Li Xian and other female relatives were staring out!

I'm afraid that even superstars don't have such honors, right?

Then, the picture turned again!

"Yunlan City, congratulations to Mr. Lin and Mrs. Lin, your wedding!"

"Qingzhou City, congratulations to Mr. Lin and Mrs. Lin, happy wedding!"

"Xiushan City, congratulations to Mr. Lin and Mrs. Lin, your wedding!"

Congratulations from all residents in all cities in Jiangnan!

.....

One by one live broadcasts were presented before her eyes, all to congratulate her on the newly-married.

Bai Yi's scalp was numb, and she couldn't believe her eyes.

Is this really me?

Own, is qualified to let the whole Jiangnan congratulate her on her newly-married?

Congratulations to the whole province!

How shocking and incredible is this?

I'm afraid of being a woman, I will be crazy about it!

She even felt that she was dreaming?

And when she saw the champagne roses all over the venue, she burst into tears completely.

It's Lin Fan!

It really is Lin Fan!

Only he knows that his favorite is the champagne rose.

For this belated wedding, she waited for too long and too long, and she no longer had any extravagant expectations.

But today, it finally came.

And it came unexpectedly to her!

She couldn't believe that the whole Jiangnan gangsters gathered here to congratulate her on her new marriage.

It was even more unexpected that everyone in Jiangnan would congratulate her together, as if she was a superstar that has attracted much attention.

At this time, she finally understood what it meant to be bitter and sweet.

Lin Fan's promise has been fulfilled!

Now she has become the happiest woman in the world, and the shock of happiness made her almost faint!

Even if she died on the spot, she has no regrets!

And below!

Bai Shan and Shen Yumei also kept wiping their tears, feeling happy for their daughter at this time!

just!

This is fun, and it doesn't last long!

Father Shen suddenly smiled viciously and winked at Shen Jian and Cuiping.

The couple laughed unkindly!

then!

Shen Jian stepped forward and scolded loudly:

"Bai Yi, you are so bold! You dare to pretend to be the first lady! Are you dead when you are Lin Zuo and Madam Lin?"

boom!

This simple sentence immediately shocked everyone in the audience!

Impersonate... impersonate?

When Shen Jian's words sounded, everyone was stunned on the spot, and a pair of eyes were filled with deep disbelief.

Could it be that this woman is not Lin Zuo's original match?

For an instant, they were shocked and dared to pretend to be Lin Zuo's original partner. Isn't this looking for death?

now!

Lin Zuo spent a lot of time to organize such a century-old wedding for his wife, and even let the whole Jiangnan congratulate her, but in the end, let a strange woman enjoy it?

Lin Zuo, what's your mood?

How will the first lady be furious?

They couldn't believe it!

At the moment, everyone stood up together, their expressions gloomy, and their eyes stared at Bai Yi coldly.

And this time!

Bai Yi's family of three also felt a cold current, rushing to Tianling Gai.

Bai Yi said in horror:

"This wedding was not prepared for me?"

But Long Jiu clearly said that this is the wedding that Lin Fan prepared for her. Could it be that he was really wrong?

This is Lin Zuo's wedding?

"Joke! What are you? Have you forgotten, what kind of trash your husband is? Is he qualified to make the whole Jiangnan congratulate?"

Cuiping laughed wildly, staring at Bai Yidao with a bitter expression on her face:

"This is a wedding specially planned by Lin Zuo for the first lady. How dare you impostor? Bai Yi, you are completely finished! Hahaha!"
