

# Chapter: 1434

Ok?

Everyone was shocked!

It is to look at the deepest part of the passage together!

I saw that a man walked out with a gloomy face, a strong ferocious aura, and a domineering and cold arrogance that looked over the world!

“Xiao Fan?”

Li Xiuyun was stunned at the moment he saw Lin Fan.

follow closely!

There was a bad feeling in his heart that Lin Fan knew this unlucky

family?

Want to help them?

This is absolutely impossible!

Even if he is the God of War, but offending Lin Zuo, it is still a dead end!

“Xiao Fan, don’t be nosy!”

Li Xiuyun hurriedly shouted to Lin Fan, for fear that Lin Fan would

come in chaos and have a good future for him.

just!

Lin Fan glanced at him faintly, and said in a deep voice:

“That’s my wife! My mother-in-law! My father-in-law! How can I…

leave it alone?”

boom!

Lin Fan’s words directly caused Li Xiuyun and others to blow up their

hair!

Is this woman Lin Fan’s wife?

“Hahaha! Uncle Li, is this the man you are looking for? He even dared

to pretend to be Lin Zuo and Madam Lin. This time his position as

God of War will definitely not be kept!”

“If Li Xian really marries him, your family will have to be dragged

down by him!”

Zhou Peize laughed wildly, and he was excited to clap his hands in

applause.

right now!

Without him, Lin Fan would play himself to death!

His wife has caused a terrible disaster, and he has to be implicated. The

position of God of War will definitely not be able to be kept!

“God of War? I think I will be dead soon!”

Li Xian also laughed sorrowfully.

In her opinion, Lin Fan is already dead!

“Lin Fan, your trash has finally come? I’m afraid you will run away! It’s

fine now, your family can go to Huangquan together!”

Cuiping said with a grim face, her eyes full of hatred, as if she wanted

to smash Lin Fan’s body into pieces.

It’s not just her!

The Shen family and the Bai family also sneered with contempt at this

moment!

Lin Fan is here, but what can this waste do?

It’s just for funeral!

Right now, the people of the two families were staring at Lin Fan, their

eyes full of viciousness and gloat.

And seeing Lin Fan present, Bai Yi was not only a little happy, but also

cried:

“Lin Fan, go! Go!”

just!

Lin Fan remained motionless, but squatted down, hugged her in his

arms, and said with a smile:

“Today, but our wedding, where can I go?”

what!

Just listen to this!

Everyone was completely stunned!

At this time, they all wondered if they had heard it wrong.

Originally, Bai Yi was looking for death, but even her husband was so

ignorant of the sky and earth?

How dare you say that this wedding belongs to him?

Even though Bai Yifan laughed wildly, he was almost crazy with

excitement:

“Lin Fan, you dare to say that Lin Zuo’s wedding is yours? You really

do not live or die!”

“When the forest seat arrives, I see how you die! Hahaha!”

And this time!

Li Xiuyun also sat down on the ground with a puff, his whole figure

seemed to be ten years old in an instant, and he shook his head in tears:

“It’s over! Everything is over!”

As soon as Lin Fan said these words, it would be hard to save the real

god!

If Lin Zuo knew that he was so arrogant, he would definitely not spare

him lightly!

Now!

Bai Yi was also in tears, and said incomparably condemned:

“It’s all my fault! It’s all my fault! It’s me who dragged you down!”

Now, she also feels that the reason Lin Fan said this is that she intends

to go to Huangquan with her family!

The guests present also shook their heads and sneered.

This family really does not live or die, first posing as the first lady, and

then posing as Lin Zuo?

It’s simply impatient to live!

Elder Shen also smiled bitterly, staring at Lin Fan’s family firmly:

“Today is not your wedding, but your funeral!”

“Catch them up for me! Wait for Lin Zuo to let go!”

at this time!

It’s not just the Shen family!

The Bai family, Zhou Peize, all the big guys on the scene, all ordered

their bodyguards to capture the Lin Fan family!

This is a great opportunity to take credit for Lin Zuo!

How can they miss it?

But right now!

“Who dare I see?”

An extremely angry voice suddenly resounded!
