boom!

After seeing Long Jiu kneeling, the eyes of everyone present at this moment all fell from their eye sockets!

Kneel down!

Long Jiu, Jiangnan Commander-in-Chief, actually kneeled in front of Lin Fan respectfully?

how can that be!

In an instant, everyone's scalp was numb, and they felt suffocating sensations that swept across their hearts.

Especially the Bai family and the Shen family, the grinning smiles on their faces at this moment were completely frozen!

Especially Elder Shen, who was going crazy at this time, said in horror:

“Long Lord, how can you kneel down for him? This trash, he dares to pretend to be Lin Zuo, this is a capital crime!”

“Aren't you supposed to slash this reckless fellow?”

At this moment, Father Shen's voice was already crying.

At this moment, he, who was already uneasy, became more and more apprehensive, as if he had anticipated something terrible, and it was about to happen!

It's not just him!

Even the members of the Bai family were almost paralyzed on the spot when they saw Long Jiu and others kneel down!

One by one, horrified!

Can't accept this scene at all!

“Impossible, this is impossible!”

The old man Bai only felt that the sky was spinning, he almost fell to the ground, his eyes looked at Long Jiu who was kneeling in horror.

Already scared stupid!

And this time!

Long Jiu let out a cold snort and stared at Father Shen coldly:

“How do you know that he is impersonating?”

Wow!

This statement came out!

Everyone was shocked!

Not impersonating?

Doesn't it mean that Lin Fan is really Lin Zuo?

Senseless!

Everyone present was completely dumbfounded!

Everyone can't believe their ears!

They heard it wrong, they must have heard it wrong!

How is this possible?

How could this waste be that powerful forest seat?

If he is really Lin Zuo, does he still need to be the door-to-door son-in-law at the Bai family?

Something must be wrong!

At this time, the Shen family and the Bai family only felt that their souls were about to shed their shells, their faces were completely ashamed, and their legs trembled wildly without control.

However, the shock has just begun!

Just now!

Long Jiu looked at Lin Fan with a very respectful expression:

“Lin Zuo, because his subordinates have to receive guests, these unopened clutters angered Madam, please forgive me!”

boom!

When I heard this, the whole hall was completely burst!

Everyone's eyes were filled with deep horror and horror, and they were completely frightened!

“What happened? Why would Long Jiu be called Lin Fanlinzuo? Did I get it wrong?”

“How could Lin Fan be Lin Zuo! Tell me, this is not true! Otherwise, our Bai family will be over!”

“No wonder, Lin Zuo would like my little one, Shen's family, and send us an invitation. It turns out this is all because of Lin Fan!”

Everyone in the room, completely petrified!

In their eyes, there was a deep shock!

No one can believe that a useless rubbish can have a relationship with the aloof Lin Zuo!

This is almost like a dream!

But at the moment, after all this happened, the Bai family and the Shen family seemed to be driven into an abyss, completely desperate!

“This, this... this is impossible! Lin Fan, he is a trash! He can't be Lin Zuo's! It is absolutely impossible!!!”

The old man Bai's screaming madly was already sitting on the ground with fright, his expression completely distorted by fear.

At this moment, he was shocked to the extreme!

Not just them!

Even Li Xiuyun and others felt that their blood was completely solidified at this time.

After seeing Long Jiu calling Lin Fan a Lin Zuo, they were completely petrified.

At this time, I couldn't use words to describe my feelings anymore.

Shocked!

confuse!

Can't believe it!

Looking at Lin Fan with his gaze!

“Lin Fan, is it Lin Zuo?”

Wang Yanli muttered to herself, her face turned pale.

“Oh my God! The man who planned this century wedding with one hand turned out to be Lin Fan? He turned out to be Lin Zuo, one of China's four major army seats?”

Li Xiuyun only felt that he was suffocating completely at this time!

At this time, they all reacted thoroughly.

On the side, Li Xian's face was pale, and the jealousy in her heart had already made her go crazy.

Lin Fan, turned out to be Lin Zuo?

Abandoned Lin Zuo by himself and chose Zhou Peize, a broad young man?

Lost your pearls and want fish eyes?

She is simply blind!

At this time, she roared hysterically:

“Impossible! This is impossible! Lin Fan's trash, how could he be Lin Zuo!”

“And that woman, what qualifications does he have to be Lin Zuo's wife?”

Her face was hideous, with a strong hatred, she wanted to shatter the corpses of the dog and the man in front of her.

All this should belong to her!

But now, there is nothing!
