

Chapter: 1438

“I regret it? But now, is regret still useful? The original position of the first lady is most likely yours!”

Li Xiuyun snorted coldly, staring at Li Xian with hatred of iron and steel:

“Now, let alone a wife, you are just a sister to others, and they don’t look down on you!”

Li Xiuyun hates it too!

If Li Xian could be obedient, then their family would be Lin Zuo’s relatives!

“Old Li, we know we were wrong, can you ask Lin Fan to forgive us?”

Wang Yanli was crying so hard that she couldn’t wait to slap herself at this moment.

How could she not see that Lin Fan was a dragon and a phoenix in the first place?

“Please? How to ask? People are already married. Is it possible that you want me to destroy other people’s family?”

Li Xiuyun scolded angrily, then snorted coldly:

“You are all dead! In the future, you are destined to be strangers with him!”

When Lin Fan’s wings were still plump, I didn’t know how to treat him better. Now he is already a high seat of the forest, one of the four great patron saints of China. At this time, I want to come to curry favor, which is simply whimsical.

Totally impossible!

Upon hearing this, Li Xian and Wang Yanli’s hearts suddenly showed deep regret and pain.

However, there is more to it!

When Zhou Peize on the side learned of Lin Fan’s identity, he was immediately scared to pee.

That face was completely ashen, as if a mouse had seen a cat.

Immediately, he looked at Li Xian, angrily said:

“Li Xian, you bitch, you have offended Lin Zuo for your harm, and I want to break up with you!”

He even dared to insult Lin Zuo, even robbing Lin Zuo against women?

If Lin Zuo is really angry, then his fate will be extremely miserable, even his old man can’t keep him.

what!

Li Xian’s expression changed wildly and looked at Zhou Peize in amazement:

“Zhou Peize, you...what do you mean?”

Now, Lin Fan missed it!

Even Zhou Peize wants to abandon her?

This is how to steal the chicken and lose the rice?

just!

Zhou Peize snorted coldly, and said angrily:

“What do I mean? I mean, you are a broomstick! Whoever marries you is unlucky!”

Finished!

He left here without looking back, never looking at Li Xian again.

I’m already scared!

Puff!

Li Xian suddenly sat weakly on the ground, looking at Wang Yanli with a gray face:

“Mom, I have nothing now! What should I do?”

Wang Yanli hugged her, she kept crying, but she didn’t know how to comfort her.

At this moment!

The atmosphere completely solidified throughout the wedding banquet!

Everyone immediately looked horrified, and looked at Lin Fan with an unbelievable look.

Tension to the extreme!

At this moment, it seemed that Lin Fan was the focus of the audience!

Even the Baiyi family was completely dumbfounded at this time!

Lin Fan, is Lin Zuo?

How is this possible?

They looked at Lin Fan with a hell of a ghost, and they only felt that Lin Fan was so strange at this time.

It feels like they are not the same person at all!

Even Bai Yi couldn’t believe that his husband could have such a big background.

And just now!

Under the excited and shocked eyes of everyone, Lin Fan hugged Bai Yi, slowly walked to the front of the stage, and looked around at everyone!

The temperament on his body is like a supreme king!

Overlooking a group of ants!

Immediately afterwards, under the horrified eyes of everyone, Lin Fan said:

“I...I am Lin Zuo!”

boom!

After getting Lin Fan’s personal acknowledgment, all the guests present were standing upside down. At this moment, they all knelt down!

“Congratulations to Lin Zuo for the wedding!”

“Congratulations to Lin Zuo for the wedding!”

“Congratulations to Lin Zuo for the wedding!”

That endless cry, louder than one, was deafening!
