

Chapter: 1441

Just listen to this!

Bai Yi's face suddenly sank, and he said unhappy:

"If you dare to talk nonsense, I will get angry! I have been married to you for so many years, don't I know who you are?"

Although she didn't know why Long Jiu was called Lin Fan Lin Zuo, Lin Fan could never be Lin Zuo.

If Lin Fan is a Lin Zuo, and no woman can be found, why bother to look at her Bai Yi?

Why bother to humiliate yourself and be the son-in-law of their family?

To put it awkwardly, their family's looking for Lin Zuo to be the son-in-law is all high!

They don't believe in their own family, they can have real luck!

Seeing Bai Yi angry, Lin Fan couldn't laugh or cry. He wanted to tell them his true identity, but they still didn't believe it?

It seems that now, I have to continue to hide it!

At the moment, Lin Fan smiled bitterly:

"Okay! Actually this is Lin Zuo's arrangement. Lin Zuo has always hated other people discussing his identity, so he just pushed the boat along the water and let me replace him by name!"

"In this way, no one will dare to point at you casually. It can also be regarded as a great gift for our wedding!"

Lin Zuo helped them again?

Bai Yi looked suspicious:

"This is not right. How could Lin Zuo help us one after another without asking for anything in return?"

At this time, Lin Fan could only play stupid:

"I don't know about that. When you have the chance to meet Lin Zuo next time, maybe you can ask him yourself!"

Hear the words!

Bai Yixindao was really like this. With Lin Fan's ability as a door-to-door son-in-law, how could the whole Jiangnan congratulate her on her new marriage?

All this, I'm afraid it is because of Lin Zuo!

Thinking of this, she inevitably felt a little lost in her heart.

"No matter what, today you still gave me a wedding that I will never forget! Lin Fan, I am very happy today!"

Bai Yi said emotionally, she felt that her life had never been as beautiful as today.

Although all this is not because of Lin Fan, but at least Lin Fan has such a heart, then she is very satisfied!

Hearing these words, Lin Fan immediately filled his eyes and swore secretly in his heart:

Wait for Bai Yi, I will make you happier in the future!

...

The news of Lin Zuo's marriage soon came to an end.

Unexpectedly, this time it was not Lin Fan who deliberately covered up the news, but someone from the capital helped to cover it up.

Suddenly Shang Lin Fan felt puzzled, he didn't know which god it was that would actually help him conceal his identity as Lin Zuo.

Until, Long Jiu came to him and told him that the people in Longya wanted to see him!

Longya, the China Special Army Corps, is relatively well-known, based in the northwestern region, with strong soldiers and strong horses, and more than ten generals under his hands are great masters!

just!

Lin Fan couldn't figure it out. He was confident that his Dragon Tiger Legion and Dragon Tooth had never overlapped. How could he take the initiative to wipe his butt?

And this time!

Long Jiu continued:

"Lin Zuo, Dong's family of the capital medical family, want to see the genius doctor Lin through me, do you see it or not?"

Dong's family?

Lin Fan frowned. The eight generations of Dong's medical practitioners were well-known in China. The pharmaceutical business monopolized nearly half of China's market.

It's just that Lin Fan can't figure out why they want to see themselves!

"Okay, you can arrange a time today and let them come to see me!"

Lin Fan said lightly.

"This..."

But Long Jiu looked like hesitating and stopping.

Ok?

Lin Fan frowned immediately:

"Is there a problem?"

"The Dong family meant to let you meet them!"

Long Jiu's expression was embarrassed, and said in a panic.

Because after he knew this, Lin Fan must be furious!

really!

In the next instant, a deep chill appeared in Lin Fan's eyes:

"They want to see me, but they let me find them. Isn't it too arrogant?"

It is no exaggeration to say that as a dignified Lin Zuo, Lin Fan was willing to see that the Dong family had already given a lot of face.

But they don't know how to promote?

Let Lin Zuo go and see him in person, who in China has such a big tone?

Just listen to this!

Long Jiu's hairs were standing upright, and he was paralyzed with a thud, shivering and saying:

"Subordinates think so too, but they say that if you don't go, you will regret it!"

"So the subordinates feel that it is necessary to report to you!"

唰!

The armrest of the chair under Lin Fan was instantly crushed by him.

Immediately afterwards, a cold murderous intent appeared on his face:

"No one has dared to threaten me like this for many years. If that's the case, then you can lead the way. I also want to know how amazing the Dong family is!"
