

Chapter: 1443

It's you!

Lin Fan's words directly caused the grandfather and grandson present to be completely stunned!

This guy actually said to buy their Dong family?

Are they dreaming?

They have been practicing medicine for eight generations in the Dong family, and they have accumulated eight generations of connections and wealth, which is terrifying!

But Lin Fan actually said that he wanted to buy their Dong's family?

Are you kidding me?

Right now, their grandfather and grandson laughed wildly, as if they had heard a big joke.

"Lin, you are praised by saying that you are an idiot. Now our Dong's medicine has a market value of 200 billion yuan. Did you buy it if you wanted to? You are simply fantastic!"

just!

Facing their ridicule, Lin Fan just smiled faintly, and then took out his mobile phone and dialed a number:

"I want to buy Dong's Medicine, from now on!"

Wow!

This sentence made both grandpa and grandson stunned!

crazy!

This kid is absolutely crazy.

Even pretending to call?

Do you think this can bluff them?

"Stop acting! With your waste, it is absolutely impossible to buy our Dong's medicine!"

Dong Qianqiu's expression of disdain, then glared at Lin Fan:

"Now, you'd better think about it first, and sell me the formula at what price?"

There was a lot of confidence in his words.

As if Lin Fan would definitely sell him the formula, in his opinion, Lin Fan had no choice at all.

Against a behemoth like them, Lin Fan can only succumb!

just!

Just now!

Under everyone's eyes, a figure walked in.

At the moment when he saw him, the faces of both grandfather and grandfather Dong Qianqiu and his grandson were happily blooming, smiling flatteringly and flatteringly.

Step by step, he walked towards the other party:

"Doctor Mike, you can count it! We have been waiting for a long time, please sit down!"

Come, it is Mike!

Compared with Lin Fan, their attitude towards Mike is totally different.

Although Mike lost to Lin Fan before, in their eyes, the doctor not only had enough medical skills, but also had enough influence.

If they want to open up overseas markets, they must rely on Mike's influence.

So their purpose today is very simple, that is, to drag Mike from Xin Baishi.

In their opinion, Xinbais had no Mike, and that was not far from the end.

Now!

The grandfather and grandson, like a pug, walked towards Mike.

Just, the next scene!

But the grandfather and grandson were completely dumbfounded!

I saw that Mike seemed to treat them as transparent, and walked past them and walked towards Lin Fan.

Then, under the horrified gazes of his grandfather and grandson, he unexpectedly puffed and knelt before Lin Fan with a look of panic:

"Mr. Lin, I have no intention of betrayal. I went to the appointment today just to see what they want to do! Please forgive me!

At this moment, his whole body trembled violently, and the moment he saw Lin Fan, he was almost scared to pee.

Mike was afraid that Lin Fan would betray him with himself!

If so, then he is completely finished!

boom!

See here, hear this!

Both Dong Qianqiu were dumbfounded!

Those eyeballs seemed to burst out!

Doctor Mike, actually knelt to Lin Fan?

This...

How can it be!

At this time, they feel they are dreaming!

The pride and arrogance on that face were completely frozen!

Originally, they thought that Mike and Lin Fan were at best a cooperative relationship, but now seeing Mike's fearful appearance, it is obviously not the case!

A trace of ominous premonition appeared in their hearts!

At the moment, Dong Qianqiu said in horror:

"Doctor Mike, what are you doing? Isn't he just a somewhat famous doctor? How can he be worthy of such a gift?"

In their opinion, Lin Fan is just a little famous in China.

But Mike is an internationally renowned doctor!

At this time, for some reason, Dong Qianqiu felt that something bad was happening.

Even Dong Huayu was completely stunned, and said in disbelief:

"What's so scary about this waste? There is no such formula, he is nothing! Doctor Mike, get up quickly!"

It's just that his voice just fell off!

Snapped!

A slap in the face slammed Dong Huayu's face fiercely.
