

# Chapter: 1446

quickly!

The news that Dong's medicine is about to fall, within only half an hour, completely sensationalized the whole country!

All the senior executives and shareholders of Dong's Medicine are going crazy, and they rushed to Jiang City directly on their own private planes, all wanting to ask Dong Qianqiu to know what's going on.

And this time!

Inside the hotel!

After everyone learned that the genius doctor Lin was the boss behind the Bone Sacred Hand and the Universal Group, there were cold hums all over their foreheads, and each one was desperate to the extreme at this moment.

They never dreamed that the Bone Sacred Hand was hidden in Jiangshi!

What's more, their Dong's Medicine even planned to forcibly acquire his company. This completely offended the other party, and the acquisition failed to be acquired.

This is to steal the chicken without losing the rice!

This time, they really hit the iron plate!

At the moment, everyone looked at Dong Qianqiu in horror:

"Chairman, what shall we do now?"

"If we continue at this speed, our Dong's medicine can only last for a week at most!"

at this time!

Dong Qianqiu's face was also extremely gloomy, and his heart was even more irritable, and he was also very anxious at this time.

Because he knew very well that if the psychic doctor Lin couldn't calm his anger, then they would be doomed to escape!

a long time!

Dong Qianqiu sighed and said:

"Everyone, you all know what happened. There was a serious problem with our decision-making, which has now angered the Bone Sacred Hand. Dong's Medicine is already at stake!"

Hear the words!

Everyone present was also pale, and their faces were full of deep anxiety and fear!

The forced acquisition of the new formula was a decision they passed unanimously. Now they are not good at accusing Dong Qianqiu.

To blame, blame them themselves for not being greedy enough!

"In the eyes of Universal Group, even if we are an eight-generation family, we are nothing but ants, and there is no room for competition."

Dong Qianqiu said with a wry smile.

As soon as these words came out, the high-level people present were about to kneel down!

They naturally know that Universal Group's global business circle is equivalent to the existence of a giant dragon.

In the eyes of Universal Group, their Dong's Medicine is a scum that can be destroyed by a finger!

Not worth mentioning!

"Chairman, if you say that, you must have an idea?"

"Chairman, let's just go and apologize to the Bone Sacred Hand, and beg him to let us go! Otherwise, we will simply surrender to him, at least we can keep our industry!"

At this time, all high-level officials were completely panicked.

They also didn't even think that the Dong family, a medical family who practiced medicine for eight generations, would one day be so embarrassed and desperate.

After only half an hour of effort, he was already embarrassed.

Hear the words!

Dong Qianqiu also sighed deeply, nodded and said:

"Just do what you said, now it is only possible to make amends to the genius doctor Lin, and then it is possible to escape!"

At this time, he was also scared!

Now seeing their Dong family is in bad luck, if you don't beg for mercy at this time, it will be too late!

Then, he stood up and faced everyone:

"You all follow me to see the genius doctor Lin. No matter what, you must get his forgiveness, even if you don't hesitate to give the entire Dong family's family business!"

boom!

At the moment, all the senior executives suddenly showed ecstasy and nodded in agreement!

then!

Dong Qianqiu looked at Long Jiu with embarrassment:

"Brother Long, please show us the way! I also know what happened last time, it must have hurt you! But for the sake of our acquaintance, you can save our family!"

"As long as you are willing to help me, you will be our Dong family's benefactor from now on, and our Dong family will look forward to your head!"

See it!

Long Jiu also sighed and said:

"Don't say if you are kind or not, as long as you sincerely regret it, I believe that the genius doctor Lin will forgive you! I only hope that you Dong Family, don't let me down again!"

"sure..."

Dong Qianqiu and others were delighted and kept nodding their heads.

Long Jiu nodded and reminded:

"That's right! The family members of Doctor Lin don't know his identity, so I don't need to say what to do in a while, right?"

The people of the Dong family, nodded frantically again!

"We must keep it secret! Never reveal the least!"

then!

A group of people headed by Dong Qianqiu, headed towards Lin Fan's residence.
