

# Chapter: 1453

Hearing this, Zhang Yichen's face was ugly, and the woman who hit her in front of her was different from hitting her in the face in public.

"Wang Feifei, I don't want to quarrel with you, I'm here to find Li Quan, please let me go!"

Zhang Yichen said with a cold face.

just!

"Fight with me? Are you qualified now?"

But Wang Feifei still looked disdainful:

"The chairman is very busy right now, I don't want to see you, please get out of here!"

you!

Zhang Yichen's face turned green with anger, and the feeling of being bitten by her own dog really made her sick.

She held Wang Feifei up in one hand, but once she lost power, she not only snatched all her advertisements and film appointments, she even wanted to step on her feet.

At this time, Lin Fan glanced at Wang Feifei lightly:

"You may not be able to figure it out. It is not his decision to see or not, but now, he has to see!"

Ok?

Wang Feifei looked at Lin Fan suspiciously, and when he saw Lin Fan's poor clothes, he immediately smiled:

"Where's the dead, poor ghost, is there any place for you to speak here?"

Immediately, she looked at Zhang Yichen playfully and sneered:

"Zhang Yichen, this is the backer you found? A stinky beggar? Tsk tusk, the diva's taste is really unique."

"On weekdays, you look like ice and jade, but in private, can any man be? Do your fans know that you are actually a bad guy?"

boom!

Zhang Yichen immediately exploded his hair, and the fangs and claws had to fight the opponent desperately.

It's just that she is still waiting for her to take action!

Snapped!

A slap slapped Wang Feifei's face fiercely, causing her to scream to the ground, and several of her front teeth fell.

Xiao Mei on the side was stunned, thinking that this guy was kind of a man, not as unbearable as the rumors said.

"You...you dare to hit me?"

A strong hatred appeared in Wang Feifei's eyes. She is now a big red person in front of the chairman. Who can't look at her face in the entire brokerage company?

But today she actually let a rubbish be beaten?

"I dare to kill you, do you believe it?"

Lin Fan's eyes flashed with killing intent, and he stared at Wang Feifei maliciously.

Wang Feifei was startled suddenly, she could feel that this lunatic was not joking.

"Huh what?"

At this time, the door of the office was pushed open, and an old man walked out with a gloomy face.

He is Li Quan, the chairman of China Entertainment.

Seeing the savior coming, Wang Feifei immediately cried and grabbed Li Quan's hand:

"Chairman, you have to be the master for me. Zhang Yichen brought his wild man to hit me. I will shoot commercials in the next few days. You see how I am now, how can I shoot them?"

what!

Li Quan's face suddenly became gloomy, and he glared at Zhang Yichen:

"Zhang Yichen, are you shameless? I really think I'm a queen, I can't help you? Believe me or not, you can't stay in this circle?"

Hear the words!

Xiaomei suddenly looked nervous, but Wang Feifei smiled gleefully and stared at Zhang Yichen coldly.

Lin Fan stood up and looked at Li Quan coldly:

"Do not believe!"

Li Quan, who was already angry, immediately became angry:

"who are you?"

"Lin Fan!"

Hearing this name, Li Quan was visibly taken aback, and then laughed sarcastically:

"It turns out that it's you rubbish. You have had enough soft rice with President Bai. Want to come to me this time?"

Eat soft rice?

Wang Feifei looked down on Zhang Yichen even more. So many big guys showed love to her, but she actually found someone to eat soft food. What kind of perspective?

But Lin Fan said with a calm expression as if he had not heard the insult from the other party:

"I'm here to withdraw your order to expel Zhang Yichen!"

Hahaha!

Li Quan suddenly burst into laughter, as if he heard a big joke:

"You say take it back, then take it back? What kind of thing are you worthy of teaching me how to do things?"

just!

Lin Fan's next words completely reduced the atmosphere to freezing point.

Lin Fan smiled slightly and said:

"I am not teaching you to do things, I am ordering you to do things!"
