

Chapter: 1462

boom!

Upon hearing this, everyone in the house was completely frightened!

Young Master Lin, Lin Chentao?

That is the most awesome character among the young generation of Lin family!

Obviously he could rely on his family background, but he just wanted to join the army, and relying on his own ability, step by step, he took the position of a general!

Now, he is recognized as the most favorite successor of the Lin family!

Also the man of the Lin family, the most respected person!

He, want to make things difficult for Bai Yi?

Shen Yuzhi was also shocked, and said anxiously:

“Have you got it wrong, how could such an existence make things difficult for Bai Yi?”

This is incredible!

It makes her feel impractical!

just!

Zhu Zhide snorted coldly, and rebuked:

“Now that the whole Jiangnan has spread, how could there be any fakes? If you let us participate in the release meeting, you are pushing our family into the fire pit. Do you want us to die?”

I...

The sharp words directly made Shen Yuzhi speechless!

On the side, when Zhang Kaiming and Zhu Ru heard this message, they were directly happy and crazy in their hearts.

That bitch, finally got retribution!

Really deserve it!

If you offend Lin Chentao, even if Bai Yi has nine lives, he still has to die!

At the moment, Zhu Ru is gloating:

“Dad, in my opinion, we have to participate in this release meeting!”

Ok?

Zhu Zhide’s face sank, and asked displeasely:

“why?”

“Of course I went to see their good show!”

Zhuru laughed loudly and said:

“Dad, you forgot that bitch, how did you embarrass our family in the first place? How could you miss such a good opportunity to get into trouble?”

And Zhang Kaiming on the side also said to the bad:

“Uncle, I also think that what Zhu Ru said makes sense. After going to the release meeting, maybe there will be a chance to get to know that Young Master Lin?”

Upon hearing this, Zhu Zhide was a little moved, and he could see that Lin Chentao hated Bai Yi, otherwise he would not personally teach such a small person.

At that time, he also humiliated Bai Yi in public, in order to please Lin Chentao, surely he would really get to know that top young man.

“You...how can you do this?”

Shen Yuzhi was trembling with anger:

“Bai Yi has already been like this, you don’t have to sympathize with you, but you are still in trouble. I don’t care about you!”

With that, she went back to the room with anger, and slammed the door of the room viciously, making a loud noise.

“Don’t worry about her, old lady, with long hair and short knowledge.”

Zhu Zhide snorted coldly, and then looked at Zhu Ru grinningly:

“My good girl, you are right. This is a great opportunity to become a young man, and we must not miss it!”

Zhu Ru also smiled unkindly:

“Dad, since we are going to participate in other people’s release meeting, then we have to prepare a generous gift!”

“Also let Young Master Lin see the sincerity of our Zhu family!”

.....

After three days, the release will proceed as usual.

But it was surprising, not even a reporter appeared, let alone the bigwigs in Jiangnan.

Bai Yi stood at the door, looking eager to see through, his face could not hide the tension and anxiety.

The time she set was 12 o’clock at noon, but it was already 3 o’clock in the afternoon, but there was still no one person.

“Lin Fan, do you think they will stop coming?”

Bai Yi asked worriedly.

On the side, Lin Fan was the old god, and smiled confidently:

“Don’t worry, they dare not?”

Dare not?

Bai Yi was stunned, wondering if he had heard it wrong.

“You will talk nonsense, what are they afraid of? Don’t think that I don’t know anything. People are also looking at the face of the King of the Blood Prison, so they call me Jiangnan Gongzhu. You think they really treat me Are you regarded as the Jiangnan Communist Party?”

Bai Yi’s lost way, she also knew that her abilities were not particularly outstanding, plus she had no background.

How could those big guys really put her in their eyes?

just!

Lin Fan still looks so careless:

“I say they dare not, they dare not!”
