

Chapter: 1463

Regarding Lin Fan's irrelevant words, Bai Yi just shook his head, and didn't care about it at all.

She is also used to it, Lin Fan often speaks wildly.

At this moment, a Mercedes-Benz car slowly drove into the field.

This immediately made Bai Yi's eyes shine, and said in surprise:

"A guest is here!"

Lin Fan also said with a smile:

"I just said they dare not?"

just!

Next, they saw the proud Zhu Zhide family getting out of the car.

At the moment, Lin Fan and Bai Yi's expressions were not very good, and they did not expect that the first group of guests who came would not wait to see their aunt's family.

"Oh, as I expected, there is no one alone, tusk! What a shabby!"

When he got out of the car, Zhu Ru began to be a demon, yin and yang became curiously ironic.

But these words directly made Bai Yi's face turn blue.

And Zhang Kaiming also sneered:

"You want the host's family to welcome the guests personally. Is your Xinbai family so poor? Don't wear such a big hat if you don't have such a big head. Isn't it embarrassing to hold a release meeting?"

"Okay, don't say a few words!"

Shen Yuzhi scolded with an ugly expression.

"Sister, little uncle!"

Bai Yiqiang held back his anger and shouted.

But Zhu Zhide didn't even look at her, as if he couldn't hear her.

On the contrary, Shen Yuzhi stepped forward with concern and took Bai Yi's hand:

"Bai Yi, tell my aunt the truth, did you get into trouble?"

Get into trouble?

Bai Yi was stunned. She still didn't know what Lin Chentao had done to her, so she felt baffled.

"Auntie, what are you talking about? Why did I get into trouble?"

"Are you still lying to me? Auntie knows, you..."

Shen Yuzhi wanted to say something, but Zhu Zhide scolded in an angry manner:

"Shut up if you shouldn't say it!"

Shen Yuzhi sighed and dared not talk nonsense anymore.

She was also worried that this would offend Lin Chentao and cause their family to suffer.

Bai Yi felt even more strange.

"Cousin, today is your release party and celebration banquet, so I specially prepared a generous gift for you!"

Zhu Ru smiled sinisterly, staring at Bai Yi's eyes, as if looking at a dying person.

Bai Yi couldn't help being stunned:

"What kind of gift?"

"Don't worry, we will be behind us in a while! This generous gift, wait a minute, you will definitely be able to use it!"

Zhu Ru laughed loudly, but there was a deep sarcasm in his laughter.

Not long after, a small truck drove into the parking lot, and then a few workers moved directly down a behemoth.

After seeing the object, Bai Yi's expression was completely distorted, and a deep anger appeared in his eyes.

Because of that, it turned out to be a coffin!

Today, at her New Bai's celebration banquet, Zhu Ru actually gave her a coffin?

This is simply cursing her to die sooner!

Immediately, Bai Yi was furious and scolded:

"Zhu Ru, what do you mean?"

Shen Yuzhi, who was on the side, also didn't think that his daughter would be so excessive, and his teeth tickled with anger:

"Zhu Ru, what the hell is going on!"

Zhu Ru laughed and said:

"Isn't my cousin going to be dead right away? So what's wrong with sending the coffin?"

"Cousin, I'm afraid you will die without a place to be buried. I wish you an early return to the West!"

Bai Yi was trembling with anger.

unacceptable!

She kindly invited their family to participate in the release meeting, and even wanted to introduce some bigwigs for them.

But they returned her like this?

Wish she died sooner?

Immediately, Bai Yi wanted to get angry and drive all these people away.

but!

Lin Fan grabbed her with a sneer at the corner of his mouth:

"This gift is very unique! But I hope you will not regret it for a while!"

regret?

Zhu Ru and others immediately showed disdain, and sneered in their hearts:

"I'm afraid you should regret it later, right?"

On the side, Shen Yuzhi sighed, only feeling that Zhu Ru had lost her face.

However, at this moment!

The next sentence of Lin Fan made them all fall into astonishment.

Lin Fan said with a smile on his face:

"Put that coffin in the most conspicuous part of the hall to make sure everyone can see it!"
