

Chapter: 1465

Zhu Zhide broke out in a cold sweat, and couldn't believe his eyes at this moment.

Are these bigwigs crazy, they really dare to come to the release meeting of Bai Yi?

They are really not afraid to offend the Lin family?

Zhu Zhide couldn't imagine that the whole Jiangnan would unite together, without giving Lin Chentao any face?

how can that be!

Could it be that I was fooled? Bai Yi didn't offend Lin Chentao at all?

Zhu Ru and others on the side were also completely dumbfounded.

How shocking is this scene now, there was no one in the first minute, but after a minute, it will be like a market?

The luxury cars one after another, exuding extremely luxurious colors, looked so dazzling.

Zhu Ru was instantly jealous, because she knew that she had no such honor in her entire life.

Today's Bai Yi is simply a star holding the moon!

At this time, Bai Yi was also dumbfounded, why didn't she remember that she had invited so many people?

I'm afraid there are three times more people than on the list!

How is this possible?

How did she know that Lin Zuo's order, who would dare to disobey?

Tianlong Group would like to give a golden tripod to congratulate Xinbai's for being the first in the pharmaceutical industry and benefiting the society!

"Dad, didn't you say that no one will come? What's the matter?"

Zhu Ru asked unwillingly, and the scene before him slapped them in the face severely.

"I...I don't know! Young Master he clearly warned, why are these people crazy?"

Zhu Zhide's expression was stunned, and he couldn't believe his eyes at this time.

This scene is incredible!

At this moment, Zhu Zhide saw a person, and then hurriedly walked towards the other person:

"Li Dong, can't you tell me? What is going on?"

Then Li Dong is naturally Li Quan.

It was Li Quan who told Zhu Zhide that Bai Yi had offended Lin Chentao.

Now that China Entertainment has handed over others, it is tantamount to losing 10 billion yuan for no reason. Li Quan is naturally in a bad mood.

Hearing Zhu Zhide's question, he was startled suddenly, and his face was gloomy and scolded:

"What nonsense are you talking about! When can't I say? The new type of ** is on the market. This is a good thing for the benefit of all mankind. How could I miss it?"

"Besides, it's up to you whether I'm coming or not? What kind of thing are you worthy of asking about me?"

After that, he didn't bother to pay attention to Zhu Zhide and left directly.

Zhu Zhide's face suddenly became extremely ugly, and it would be embarrassing for everyone to be reprimanded like this in full view.

"This is impossible!"

Zhu Zhide gritted his teeth and still couldn't believe it.

Then, Zhu Zhide walked to several familiar bosses and asked them one by one.

"Ms. Song, didn't you say that today is empty?"

"Old Huang, you clearly said that the Xinbai clan is dead today, so why..."

And to hear which pot he should not mention which pot, the big guys present are going crazy.

One by one they yelled at him furiously:

"Zhu Zhide, don't talk nonsense, don't pull me up if you want to die!"

"Dog stuff, you dare to talk nonsense when you get here, did you deliberately touch that person's brow and seek death?"

"Made, what do you mean Zhu Zhide, do you deliberately sarcasm us? Don't you think we are not embarrassing enough?"

what!

Zhu Zhide almost stared out at this moment.

Want to die not to pull them?

To embarrass them on purpose?

What are these big guys talking about?

Isn't it just a small release meeting? But why do these big guys, all of them look like a mouse and a cat, so scared that they dare not say more to him?

Could it be that Young Master Lin changed his mind?

Something is wrong!

Zhu Zhide's heart suddenly felt a little uneasy.

Then, he sighed deeply and looked at Zhu Ru and the others:

"Or, shall we go and apologize to Bai Yi?"
