

# Chapter: 1466

“Dad, what are you kidding! Why should we apologize to that bitch?”

Zhu Ru immediately exploded his hair and said angrily:

“These guys are looking for death. Is it possible that you want to bury them too? If you offend Young Master Lin, our family might be ruined!”

Zhu Zhide was miserable, with deep worries on his face:

“But they behaved too abnormally. I always feel that something bad is waiting for us.”

just!

Zhu Ru snorted coldly, and said with extreme disdain:

“Dad, you worry too much! Bai Yi and Lin Fan are dead today! Because I have heard that the third youngest of the Lin family was killed by Bai Yi!”

“In this case, do you think the Lin family will take back and die?”

what!

Zhu Zhide’s expression suddenly changed wildly, and he looked at Bai Yi in disbelief.

The third young master of the Lin family was actually killed by this bitch?

Is this too courageous?

This is too long!

Right now, he no longer worried, and then stared at Bai Yi coldly:

“Bai Yi, don’t think these big guys can change anything by participating in your release meeting. If you dare to move the Lin family, I don’t know how you died!”

just!

The voice just fell!

“Miss Bai Yi has a bodhisattva heart and saves all beings. Huarong Real Estate has specially prepared an “Emerald Bodhisattva”!”

“Jinniu Industry, present a pure gold plaque “Hanging Pot to Help the World”, I wish the new Bai family become stronger and stronger and create more brilliant!

At this time, one after another big bosses, one after another entered!

Moreover, the identities are more terrifying, and the gifts given to Bai Yi are becoming more and more expensive.

From a few million to tens of millions, and even more than 100 million later!

This scene made the people of the Zhu family go crazy with jealousy.

They have never seen so many rare treasures in their entire lives.

“They won’t be proud of it for long, even if these treasures are really given to them, they will not be blessed to accept it!”

Zhu Ru said with hatred.

At this time, Bai Yi was also completely dumbfounded, as if he couldn’t believe that this scene was true.

These big bosses not only rewarded her for coming to her release party, but even gave valuable gifts.

what is happening?

You know, these big guys, each asset is more than tens of billions!

Don’t say it’s in Jiangnan, and it can be regarded as a person with a face and a face throughout China.

But there was a flattering smile on their faces, but there was also a deep awe in their eyes.

Are they still afraid of themselves?

Are you dreaming?

However, there is more to it!

“Mr. Long is here!”

There was a pass from outside the door, and then Hou Long Jiu took Long Qianxi into the court together.

This scene directly shocked the Zhu Ru family’s chin!

Long Jiu, Jiangnan Commander!

Is he here too?

Is this an illusion?

It is no exaggeration to say that the weight of this person is much heavier than the sum of all the people present!

This is a lifelong warrior, a respected old man!

In the whole Jiangnan, who shouldn’t look at his wink and act?

Even if Lin Chentao is well, even if he is not afraid of him, he shouldn’t be called Long Lao to show respect.

but!

Such beings were also invited to come to congratulate Bai Yi?

Then how could Bai Yi have such a big face?

Bai Yi was also dumbfounded. How could Long Jiu help her again and again?

At this moment, she seemed to have thought of something, and turned to look at Lin Fan:

“Lin Fan, did you do this?”

Lin Fan smiled and shook his head:

“How could I have such a great ability? In my opinion, it should be Lin Zuo?”

At this time, Long Jiu had already enthusiastically held Bai Yi’s hand and said with a smile:

“President Bai, congratulations! The new vaccine that you have developed this time is a great achievement for us in China!”

“Don’t worry! I have notified the entire Jiangnan that from today, all the files and procedures concerning the vaccine will be given the green light, and we will try to make this vaccine successfully listed in the shortest time!”

As soon as he heard this, the eyes of everyone present burst out.

Naturally, they knew that as Long Jiu, they would never go to court the young new Bai clan. This must be Lin Zuo’s instruction!

Lin Zuo actually valued this new Bai family so much?

It seems that in the future, you have to fawn on this new Bai family.

On the side, Li Quan smiled bitterly. He naturally knew why all this was. Bai Yi’s husband was the Xin Bai clan, not to mention Jiangnan.

Who in China would dare to be disrespectful to her?

Only the idiots of Lin Chentao and Zhu’s family would have let go of such a great opportunity to become so prosperous.

“Thank you, Mr. Long, Daeen says no thanks!”

Bai Yi was also pleasantly surprised, and shook Long Jiu’s hand heavily.

But at this time, Long Jiu suddenly noticed the extremely conspicuous coffin placed in the center of the hall.

At the moment, his face was gloomy to the extreme, and he roared like a lion:

“What a courage! Who gave the coffin?”
