

Chapter: 1467

boom!

This question resounded directly through the audience, shocking everyone present!

Originally, they had noticed the coffin when they came, but after all, the host didn't say anything, and they were too embarrassed to ask.

I thought it was a quirk or custom of the host, but now it seems that this is not the case.

Upon hearing this, Zhu Ru's family suddenly felt weak, and almost knelt down.

At this time, they didn't even have the courage to admit it, their faces were pale, and they couldn't help shaking.

They originally came to see Bai Yi's joke, but they didn't expect that in the end, they would lift a rock and hit him in the foot.

So Long Jiu was furious, they didn't know how to answer.

The audience was silent, and no one dared to speak!

But Long Jiu was unwilling to let it go easily, and continued to roar:

“Speaking! Are you all dumb? On President Bai's happy day, who would dare to send a coffin to the host and humiliate the host?”

This...

After all, Bai Yi was soft-hearted, and she didn't have the first time to stand up and criticize Zhu Ru's family, because she knew that once Long Jiu was investigated, Zhu Ru's family would definitely not be able to bear it.

just!

She was soft-hearted, but it didn't mean that Lin Fan was the same.

At this time, Lin Fan smiled and looked at Zhu Ru:

“Yes, who sent this coffin? My good cousin?”

“Lin Fan, you!”

The Zhu Ru family's eyeballs were almost splitting, as if they were about to eat Lin Fan.

If you don't speak, no one will treat you as dumb!

They all know that Lin Fan, a dog thing, deliberately harmed them!

Ok?

Long Jiu stared at Zhu Ru's family with stern eyes. The fierce and brutal gaze directly caused them to be frightened and almost incontinent.

“You prepared this coffin?”

boom!

Zhu Zhide felt that his scalp was about to explode, and the heart that really strangled Zhu Ru was all over. This is really superfluous, now it's over!

“What's your question? Are you dumb?”

Long Qianxi is also an evil voice. Since he has seen Lin Fan's supreme emperor's posture, he has sincerely convinced him and regarded him as his idol.

Now it seems that some people dare to insult their idols, even if they can't tolerate them.

“me...”

Zhu Zhide has been with me for a long time, but still can't tell why.

however!

Just when the Zhu Ru family was desperate, a frivolous and arrogant voice suddenly cut through the entire venue!

“I gave it, how?”

Wow!

Everyone was in a complete uproar, and then looked towards the door together.

Just see!

A man strode forward and stepped in, striding in this way!

A uniform, majestic, like an evil tiger coming out of the cage, full of aura, every step is like a cruise around the world, full of arrogance!

Lin... Lin Chentao?

The moment they saw this young Lin family, everyone suddenly felt a numb scalp, and didn't even dare to breathe.

Because they all know that this is a natural king in front of them!

The real power!

One action can affect the entire existence of China.

They look like ants in Lin Chentao's eyes!

Even the moment Long Jiu was in Lin Chentao, a solemn color appeared on his face.

He is in Jiangnan, and he said nothing, but at best he can only be regarded as a local snake!

But this one in front of you is a veritable emperor of the true dragon!

The atmosphere suddenly became extremely depressing!

The big guys present all looked anxious, as if they had made a mistake, all of them bowed their heads and dared not look at Lin Chentao.

For fear of being remembered by Lin Chentao, he will settle the account after the autumn.

Seeing Lin Chentao appear, Zhu Ru's family suddenly became mad, they only felt that their savior had come.

The eyes that looked at Bai Yi and Lin Fan were full of resentment and ridicule.

It's like looking at a dead person!
