

Chapter: 1470

Hearing this, Bai Yi's expression suddenly froze.

On the side, Zhu Ru was also in a bad mood. She wanted to see Bai Yi and Lin Fan unlucky together, but she didn't think that Lin Chentao would even give Bai Yi a chance.

I'm afraid, is this slut again?

indeed!

Bai Yi's appearance moved Lin Chentao's heart. Although he would not marry a married woman, it was a good choice to use it as a plaything.

Dong Mingfeng also coldly hummed:

"Bai Yi, it's rare for Young Master Lin to open up the internet, don't you hurry up and thank Young Master Lin?"

just!

Bai Yi kept his face cold, and walked to Lin Fan's side:

"No, Lin Fan is my husband, even if I die, I will advance and retreat with him!"

Their feelings are not something Lin Chentao can sow discord in a few words.

Ok?

Lin Chentao's expression turned gloomy when he heard this.

At the moment, a murderous intent appeared in his eyes:

"I don't like being rejected. If this happens, then you can go to death with him!"

Since Bai Yi is so ignorant of admiration, don't blame him for ruining flowers.

Just listen to this!

Zhu Zhide's family also shook their heads.

Lin Chentao gave Bai Yi a meeting to survive, but the woman actually didn't know how to hold it!

That's stupid!

Next, they all have to see, who can save this pair of dog men and women!

However, just when everyone thought that Lin Fan and Lin Fan were dead.

Lin Fan had a calm face and smiled lightly:

"Kill us, rely on you?"

what!

Everyone was completely dumbfounded!

Everyone was shocked, and they seriously doubted whether they had auditory hallucinations.

Lin Fan dare to be so arrogant?

Or even questioning Lin Chentao's methods?

For an instant, everyone present was completely stunned!

Isn't it easy for someone to kill a junk like you?

They really don't know where Lin Fan's confidence comes from.

At the moment, everyone laughed sarcastically. Is ignorance so fearless? They all sympathized with Lin Fan's stupidity.

Lin Chentao couldn't help being stunned. After the reaction came, he burst into laughter:

"Lin Fan, haven't seen you in a few years, you are even more idiot than you were at the beginning! Now I want to see, who else can protect you!"

He didn't take Lin Fan's words to heart at all, just as a joke.

When they heard this, everyone shook their heads, not knowing what to say.

However, Lin Fan ignored everyone's contempt and said with a smile:

"Soon, you won't be able to laugh!"

Ok?

Lin Chentao has completely lost his patience for Lin Fan's repeated provocations.

Right now, his face sank, and then he ordered:

"Dong Mingfeng, pulled his tongue out for me, I want him to shut up forever!"

"okay!"

Dong Mingfeng's face was sullen, and then he planned to give orders to his opponent.

But right now!

Da da da...

The sound of uniform footsteps was heard from outside the door.

Ok?

Everyone was taken aback for a moment, as if they didn't even think that someone would come to the door at this time.

At the moment, everyone looked at the door in doubt, only to see the scene in front of them, and they were completely frozen.

Because they actually saw a group of heavily armed sergeants stepping into the field neatly, and then one standing at attention, and then the two teams turned left and right, and separated a road.

"Longya?"

Seeing this team, Lin Chentao was completely dumbfounded.

There seems to be no expectation that Longya will also participate in today's release meeting.

However, the more shocking is yet to come!

In the doorway, an old man walked in slowly under the awe of everyone's eyes.

In an instant, everyone seemed to explode their hairs, their eyes split apart!

"Leader of the Dragon Tooth Legion, Xu Longxiang!"
