

# Chapter: 1474

Seeing this, Bai Yi also couldn't bear it, turned his head and looked at Xu Longxiang.

"Xu Lao Xiang, anyway, they are my family, can you let them go this time?"

"Lin Zuo, I will explain!"

This...

Xu Longxiang hesitated, then looked towards Lin Fan without leaving a trace.

Ok?

This move was made by Bai Yi, who was close to him, noticed. Xu Longxiang was asking Lin Fan's opinion?

Is it her illusion?

Lin Fan didn't speak, but his eyelids lowered.

Xu Longxiang immediately understood what Lin Fan meant, and turned to look at Zhu Zhide's family:

"Since President Bai begs for your mercy, then I can only let you go. But from now on, I will not allow any company to cooperate with you!"

Puff!

When Zhu Zhide heard this, he passed out completely.

Because he also realized that although his life was saved, his family was ruined.

From now on, Zhu's family is just a mouse crossing the street, and everyone shouts and beats.

"get out!"

Xu Longxiang said with a good face.

Zhu Ru and the others didn't dare to say a word, carrying Zhu Zhide who was in a coma and walked away in despair.

But at this time, Lin Chentao walked up with a smile and said flatly:

"Old Xu, I have long admired Lin Zuo for a long time. Could you please recommend me?"

The old man of the Lin family has already spoken, whoever can reach cooperation with Lin Zuo will become the next Lin family head.

Therefore, at this time, Lin Chentao did not want to miss this great opportunity.

Unfortunately!

When Xu Longxiang heard this, he sneered and shook his head.

"Do you think that if you did something like this today, will Lin Zuo see you again?"

Hear the words!

Lin Chentao's expression suddenly froze, Lin Zuo already knows what's going on here?

Right now, his face was completely gloomy, and a deep hatred appeared in the depths of his eyes.

In his opinion, all this is the ghost of Xu Longxiang. Their Longya and Xiaoxiao have always been at odds, and they must have fanned the flames in front of Lin Zuo!

Also, that damn Lin Fan!

It was because of this bastard that I offended Lin Zuo without knowing it. This waste is damned!

Seeing Lin Chentao not speaking, Xu Longxiang smiled more playfully.

If you let Lin Chentao know that the Lin Zuo that their Lin family tried every possible way to curry favor was the waste and abandoner who was swept out by them back then, what would you think?

I'm afraid, even the intestines will be regretful, right?

"Lin Chentao, you can go! Because of what you did today, Lin Zuo will never be able to cooperate with your Lin family anymore. Just wait and deal with the King of Blood Prison yourself!"

Xu Longxiang laughed loudly, with deep sarcasm and ridicule in his voice.

Not only mocking Lin Chentao, but also mocking the Lin Family who has no eyes!

Just listen to this!

Lin Chentao's hairs stood up suddenly, and his face was full of panic.

If the Lin family were to know that it was because of him that caused Lin Zuo to feel sick in their Lin family's heart, then he would be completely finished!

At that time, let alone the head of the Patriarch, he might be kicked out of the Lin Family!

At the moment, his eyes seemed to breathe fire, and there was a deep resentment in them:

"Old Xu, are you really unwilling to recommend Lin Zuo for me?"

That hatred is extremely strong!

At this moment, the atmosphere completely dropped to freezing point.

Everyone was sincere and fearful, and they all realized that Lin Chentao and Xu Longxiang were about to tear their skins completely!

Such two existences standing at the pinnacle of power, once impulsive occurs, it must be earth-shattering.

China's precious circle, I am afraid it will usher in a new round of reshuffle!

Xu Longxiang looked at him with a calm face, and a sneer appeared at the corner of his mouth:

"Not willing!"

"it is good!!!"

Lin Chentao yelled suddenly, and said with a terrifying face:

"Then, in the competition in a month's time, you are ready to give to your loved ones, collect the corpses!"
