

# Chapter: 1484

Hear the words!

Chen Jinxing and the others suddenly stiffened, and they were extremely embarrassed.

Ye Shihao sneered directly on the side.

“You are very forgetful. Have you forgotten how you humiliated Grandmaster Lin just now?”

“Master Lin is already a great gift if he doesn’t kill you, so you still have the face to beg him to take action?”

Chen Jinxing and the others blushed even more. At this time, their intestines were all regretful, and they could not wait to smoke their two big mouths.

And Lin Fan also looked indifferent, saying:

“You ask for your blessings!”

With that said, he left without looking back.

“Lin Zongshi stayed, Lin Zongshi stayed quickly!”

Chen Jinxing and the others were almost crying, this is the real boss, I’m afraid only he can fight Ning Changkong.

If they missed Lin Fan, then they would be completely finished!

“Patriarch Zheng, we all know that we are wrong, please help us plead with Master Lin, you can do anything you want us to do!”

Chen Jinxing was so miserable that she firmly grasped Zheng Honglian’s hand, as if grasping a life-saving straw.

Unfortunately, Zheng Honglian just sighed, shook her head and said,

“I’m sorry, I have already given you the opportunity. Since you don’t know how to cherish, then you have to bear the consequences.”

Finished!

Zheng Honglian shook off Chen Jinxing’s hand and left with the other three Patriarchs.

Puff!

Seeing this, Chen Jinxing suddenly sat weakly on the ground, her face like ashes.

Deep regret and despair appeared in the eyes!

“Chairman Chen, we...what shall we do?”

At this time, those big guys were already six gods and no masters.

“What to do? What else can we do now besides waiting to die?”

A bitter smile appeared on Chen Jinxing’s face, and the whole figure seemed to be tens of years old in an instant.

The only savior let them drive away, this is self-inflicted and cannot live.

...

By this time, Lin Fan had already returned home.

Suddenly I saw Zhu Ru’s family also present, but compared to before, his attitude has changed drastically. Everyone has a pleasing smile on their faces, and they are greeted by Bai Yi.

Obviously, after that day, they knew Bai Yi’s ability, knowing that they wanted to restore the bankruptcy situation, only let Bai Yi speak.

Therefore, at this time, I was constantly struggling to please Bai Yi.

“Xiao Fan, are you back?”

Shen Yumei yelled, and the Zhu Ru family also looked over.

However, when facing Lin Fan, Zhu Ru and Zhu Zhide still showed contempt and disdain.

Because in their opinion, the reason why Lin Zuo cares about a Xiaoxin Bai family must be because of Bai Yi, which has nothing to do with Lin Fan.

Therefore, Zhu Ru began to be a demon, and said with a smirk:

“Cousin, it’s really not me who said you, how can this rubbish be worthy of you?”

“You should consider my suggestion. Zhang Kaiming is really a good buddy. He is a two-star warrior who plays the role of Longya at a young age!”

Hear the words!

Lin Fan noticed that there was a young man sitting beside Zhu Ru and the others.

With a burly figure and a straight waist, he is out of his own right at first glance!

At this moment, he was staring at Lin Fan with a contemptuous and provocative look, as if mocking Lin Fan’s incompetence.

Because he will take away his woman in a while!

He is Zhang Kaiming’s best friend Qin Xianzhong, Longya’s two-star warrior!

One purpose of Zhu Ru’s family came today is to beg for mercy, and the other is to introduce Qin Xianzhong to Bai Yi.

Qin Xianzhong and Longya came to Jiang City together, only to learn that even their Longya leaders had participated in Bai Yi’s release meeting, so he thought about this woman, and wanted to rely on Bai Yi’s power to complete his fate. dream!

After seeing Bai Yi, he was completely shocked by Bai Yi’s beauty!

He originally only wanted to use Bai Yi as a springboard, but now he is completely fascinated by Bai Yi!

Therefore, I have secretly vowed in my heart that he will get this woman anyway!
