

Chapter: 1485

As for Lin Fan!

He didn't care about it at all!

What kind of qualifications does such a waste who eat soft food have to grab a woman with him?

At the same time, Zhu Zhide also said with a smile on his face:

"This is more than Bai Yi, Xiao Qin will replace Longya in the Owl Legion this time. Once he wins, he will immediately be promoted to a three-star warrior. Even the God of War is possible. The future is boundless!"

"Moreover, I also heard that this time Longya has found a very powerful instructor to train Xiaoqin and the others. With him in Xiaoqin, they must have won the Xiaojun regiment."

"Because that instructor is probably one of the four major military seats!"

Wow!

Bai Yi's family was frightened, and they stared at Zhu Zhide strangely.

One of the four major military seats, will come to train Longya?

Isn't there a high probability that Longya will win the first place in this competition?

Seeing the surprise of Bai Yi and others, Zhu Zhide said while the iron was hot:

"In other words, Xiao Qin is sure to be promoted to a three-star warrior! Bai Yi, he is only twenty-five years old, he is a dragon and a phoenix among the people, I think it fits you!

Their family tried their best to match Bai Yi and Qin Xianzhong, because Qin Xianzhong promised them that as long as they could help him win Bai Yi, he would cover their Zhu family in the future.

If you can be forgiven by Bai Yi, and you can find a big backer, why not do it?

And Qin Xianzhong also stared at Bai Yidao with tender eyes:

"Bai Yi, as long as you are willing to marry me, I promise to make you a happy woman in the world!"

At this time, Shen Yumei and Bai Shan looked at Qin Xianzhong with idiot eyes.

Is this kid's brain soaking up?

Proposing marriage only the first time you meet, are you afraid to scare the girl?

One more thing, my husband is still nearby. You dig the wall in front of my husband. Isn't it too arrogant?

And Lin Fan's brows couldn't help but frown.

This Qin Xianzhong is really crazy!

Proposing to his wife in front of him, and ignored him?

Unfortunately!

Bai Yi said with a blank expression and a little impatiently:

"Mr. Qin, it's an honor for you to show your love, but I'm already married, please don't waste time on me."

Ok?

Qin Xianzhong's expression suddenly stiffened, but a trace of anger appeared in his eyes.

This is the first time he has been rejected by a woman!

At the moment, he looked at Lin Fan with a bad expression:

"He? With all due respect, Miss Bai Yi, this kind of waste is not worthy of you at all! You deserve better!"

Bai Yi rejected him for such a wine and rice bag, which made Qin Xianzhong very angry.

When Bai Yi heard this, Liu's eyebrows were suddenly frowned, and a touch of displeasure appeared on his face.

This Qin Xianzhong is really annoying!

Don't say arrogant, it's rude!

"Bai Yi, don't hesitate, this is your good match! That trash is not worthy of you at all, so let's divorce him quickly!"

"Yeah, cousin, do you really intend to guard this trash for a lifetime? Are you not afraid of being laughed at?"

Zhu Ru and his daughter also began to persuade them.

"enough!"

Bai Yi scolded angrily, saying:

"If you are here as guests, I welcome it! But if you are here to intervene in my housework, then I can only ask you to go out!"

Upon hearing this, Zhu Ru's family instantly stiffened, knowing that Bai Yi was angry, and they were asking Bai Yi now, so naturally they didn't dare to say anything.

And this time!

Qin Xianzhong also stood up with a face of shame, but a sneer appeared at the corner of his mouth, staring at Bai Yi with extreme arrogance:

"Bai Yi, you will change your mind!"

"It won't take long for you to know that only I, Qin Xianzhong, is worthy of you!"
