

# Chapter: 1490

Seeing this, Xu Longxiang and others all applauded and smiled, and they also knew there was nothing more convincing than absolute strength.

At this time, Lin Fan smiled indifferently, and threw a notebook on the ground.

“Here is a record of my special training methods for you. Whoever can last for a week is eligible to train under me.”

“I, Lin Fan, don’t cultivate rubbish!”

These words were extremely arrogant, as if these elites in front of them were all rubbish in Lin Fan’s eyes.

Only with his approval can he be qualified to become his disciple!

This is also the pride of Lin Zuo!

He didn’t want his disciple in the future to be a wine bag and rice bag, which would embarrass him.

The warriors present all laughed bitterly.

At first they wanted to show Lin Fan a little bit of color, but now they have to prove their strength in front of Lin Fan.

After doing it for a long time, it was not that they looked down on Lin Fan, but Lin Fan looked down on them.

But at this time, Qin Xianzhong was already paralyzed to the ground, looking pale at Lin Fan.

Seeing that he was here, Lin Fan was taken aback first, then suddenly sneered:

“Where is this soldier, why is he in such a bad physique?”

Ok?

Upon hearing this, Xu Longxiang’s face suddenly became as ugly as it was. At any rate, the gathering today was a group of warriors, but when he saw Lin Fan, he collapsed in terror and lost their dragon teeth.

Right now, he questioned Kou Jianghuai in a bad tone:

“How is this going?”

Kou Jianghuai’s face also became gloomy:

“It’s the soldier under my hand. I’m sorry to make you laugh at the instructor!”

Kou Jianghuai originally looked good at Qin Xianzhong, but he didn’t expect Qin Xianzhong to be so embarrassed.

This immediately made him bald and disappointed in Qin Xianzhong.

Seeing the reaction of Kou Jianghuai and Xu Longxiang, Qin Xianzhong burst into tears without tears. He knew that because of his performance, he was not eligible to participate in this legion match.

However, there is more to it!

When Lin Fan heard this, he smiled:

“I was scared and paralyzed after only one meeting, this kind of garbage, I don’t need it in my team!”

boom!

Qin Xian was shocked as if he was electrocuted, and his whole body was completely stunned, and a deep horror appeared on his face.

Now, not to mention that there is no way to participate in the legion match, he is afraid that he will be hopeless in his life.

Lin Fan, this is to get him to death!

regret!

Afraid!

The reason why he pursued Bai Yi was for his own good future, but he didn’t expect to ruin everything about himself because of this.

This is stealing the chicken without losing the rice!

Kou Jianghuai nodded immediately:

“Don’t worry, instructor, I understand what you mean!”

Then, he stared at Qin Xianzhong coldly and ordered:

“Come on! Take this waste to me!”

visible!

After today, he couldn’t escape Qin Xianzhong.

But Qin Xianzhong knew that what he had to face was far more than just a simple responsibility.

That’s it!

This one is completely over!

He even dared to dig the corner of the new instructor’s teeth.

puff!

At the moment, Qin Xian hurriedly attacked his heart, raised his head and spit out a mouthful of blood, fainting himself.

All the warriors of Longya were also stunned at this moment.

Why is this scared and fainted?

Did Qin Xianzhong plant such a fool?

Everyone is unknown, so they looked at Qin Xianzhong with an incredible look.

However, Lin Fan still said with anger and not paying for his life:

“Tsk tusk tusk, how did this physique become a general?”

Xu Longxiang and Kou Jianghuai didn’t know why Qin Xianzhong was like this. They thought he was really in poor physique, so their faces blushed, and they felt more embarrassed.
