

# Chapter: 1491

And when Lin Fan left Longya by plane, it was already night.

However, when he arrived at the door of his house, he heard a harsh scream from inside.

Extraordinarily harsh!

“Bai Yi, you don’t look at your virtues, a torn shoe that has been married before, and my son looks at you. That is the blessing you have cultivated in your eight lifetimes. Don’t fucking do it!”

“I see you, you are inferior in your bones, otherwise you would not marry a trash! Don’t think that I don’t know, you bitch is going around hooking up with men, if it wasn’t for my son to like, I wouldn’t let you do this A girly woman comes in!”

Inside the house, a middle-aged woman wearing gold and silver, pointed at Bai Yi’s nose and cursed with her arms akimbo.

That face of horrendous flesh, with her verbal abuse, continued to flick, it was full of fat, like a white oiled pig.

This person is Qin Xianzhong’s biological mother, Zhao Xiulan!

And Zhu Zhide’s family also stood aside, pretending to stop Zhao Xiulan, but in fact there was a gloating smile between the eyebrows.

They dare not offend Bai Yi, but they can kill people with the knife.

This is Qin Xianzhong’s old lady. Even if Bai Yi has Xu Longxiang to support her, how dare she take her?

At this time, Bai Yi was so insulted by a stranger, and his face was ugly:

“Auntie, who am I going to marry? What is my reputation? That’s all my business, and it has nothing to do with you!”

“Now I ask you to leave!”

Even if she was insulted in this way, she still maintained the quality she should have.

just!

However, Zhao Xiulan became more aggressive and swore extremely arrogantly:

“Hey, dare you to put your score in front of me? You don’t see who I am? I tell you, my son is about to become a three-star warrior, and then I will let your family not be able to eat. !”

“You know, I’ll take my son’s bed clean tonight and take care of him. I can think about mentioning your house in the future.”

boom!

Bai Yi couldn’t listen anymore, his eyes filled with anger, and he scolded:

“Please go out immediately, or I will call the security guard!”

This Zhao Xiulan is exactly the same as her son, blind and self-righteous, disgusting!

“Bitch, do you dare to drive me away? You see I won’t tear your mouth!”

Zhao Xiulan suddenly became angry, and since her son became a warrior, she has been a mother and her son.

No one had ever dared to speak to her like this, so she gradually developed an arrogant personality that was defiant.

Now Bai Yi’s behavior has completely annoyed her, she is now spreading her teeth and dancing, slapped her slap on Bai Yi’s face.

Bai Yi was frightened, her face turned pale, and she couldn’t believe that the other party was so arrogant and unreasonable that he would hit someone in public directly?

Bai Yi’s brain was blank at this time, and she could only watch that slap fall towards her door.

But at this moment, a strong hand suddenly stretched out and grabbed Zhao Xiulan’s hand.

Immediately afterwards, there was a voice that was cold into the bones:

“Do you...want to die?”

“Lin Fan?”

Seeing her husband coming, Bai Yi suddenly seemed to have taken a reassurance pill, and she was not afraid of anything.

And Zhao Xiulan was taken aback first, and then laughed arrogantly:

“Are you that wasteful son-in-law? Bai Yi, you are really not an ordinary scumbag. You can even look at this kind of stuff, and even reject my son for him?”

“You are really blind!”

boom!

These words completely ignited Lin Fan’s anger!

Snapped! ! !

A loud slap in the face suddenly resounded throughout the Bai family!

Everyone saw that a figure was flew away fiercely, and then hit the ground heavily!

Not who is Zhao Xiulan?

At this moment, a dazzling palm print appeared on her face, and wisps of blood flowed from the corner of her mouth. Half of her face was just swollen like a pig’s head in an instant.

The whole audience was silent!

Everyone stared at Lin Fan with a look of seeing a ghost.

This rubbish actually hit Qin Xianzhong’s old lady?
