

Chapter: 1497

boom!

The audience was shocked!

Everyone looked at Lin Fan with deep consternation.

Will the Zhu family regret it?

What's this kidding?

At this time, it should be the Lin Fan family who regretted it!

Lin Fan is looking for death!

As for the Baiyi family, they almost passed out on the spot, dripping cold sweat from their foreheads.

Even Qin Xianzhong felt that Lin Fan was talking big, but that was Lin Chentao. Not to mention his background, his current rank alone is not comparable to Lin Fan as an instructor.

Not to mention, there is such a mysterious forest seat!

“Well, well, is this the attitude of your Bai family? If that's the case, don't blame us for turning our faces ruthlessly!”

Zhu Zhide also snorted coldly, with hatred between his brows.

“We are the guests of Young Master Lin. If you dare to treat us like this, the Bai family will wait to welcome Young Master Lin's revenge. I will definitely let Young Master cut you all!”

“Zhu Ru, enlightened, let's go!”

As he said, he left his face outside with a cold face.

Shen Yumei still wanted to ask for mercy, but Zhu Zhide pushed a big somersault and almost hit the corner of the table.

This scene immediately made Lin Fan's expression completely gloomy.

And Zhu Ru also gave Lin Fan a bitter look, and said coldly:

“Lin Fan, you wait for me, I will never make you feel better!”

This rubbish dared to hit her, she would definitely make Lin Fan unhappy.

Soon, the Zhu family left all of them.

At this time, the Bai Yi family seemed to have lost their souls, and their hearts were panicked to the extreme.

“Xiao Fan, you are too impulsive! How can you beat Zhu Ru, who is called Lin Chentao, we can't afford it!”

Shen Yumei was as anxious as an ant on a hot pot, and it seemed like a catastrophe.

She wished that Lin Fangang could kneel down for Zhu Ru and the others, and hoped that they would let go of their own family after they died down.

“No wonder Xiao Fan, they are too aggressive. You haven't seen the faces of your sister-in-law's family. I'm afraid they won't let us go even if we kneel and kowtow.”

Bai Shan said angrily, but stood up to speak for Lin Fan.

At this time, Bai Yi also sighed, and said with a bitter smile:

“Dad, Mom, now that these have no meaning, let's pack up and go abroad!”

Once Lin Zuo and Lin Chentao reached a cooperation, they would lose the last backing, so at this time they could only escape.

The farther you escape, the better!

“But what about the Xinbai clan?”

Shen Yumei was a little bit reluctant to have her current family business, mainly because she was afraid of being poor before and being looked down upon by others.

So she was worried that she had nothing left as before.

“When is it all? Are you worried about the family business? Is life important or money important?”

Baishan said in an angry manner.

“Okay, I'll go and pack things right away!”

Shen Yumei didn't dare to say anything anymore, so she planned to pack her things.

But at this time, Lin Fan couldn't laugh or cry:

“Don't be afraid of you three, they can't help us.”

Ok?

As soon as this remark came out, the audience was shocked!

At this moment, I was stunned, and looked at Lin Fan strangely. I really didn't know where this guy's confidence came from.

Even Qin Xianzhong couldn't help but prick up his ears. Is it possible that Lin Fan planned to rely on Longya to deal with Lin Chentao?

If this is the case, then he has to say, Lin Fan is too naive!

“Lin Fan, do you have a way?”

Bai Yidai frowned and looked at Lin Fan suspiciously.

In my mind, I couldn't help but think of Lin Fan's calm and arrogant posture when he sat on Xu Longxiang's car.

Combined with Lin Fan's calm appearance now, she is more and more sure of one thing.

This husband must be hiding something from him!

just!

Lin Fan didn't have an explanation, but said with a smile:

“They can't help us, because after the Legion match, all of them will be unlucky!”

what!

Everyone was completely stunned. To them, this sentence was like a crit.

It made them couldn't believe their ears!

“Lin Fan, stop talking nonsense, how do you know they will be unlucky?”

Bai Shan sighed, thinking that Lin Fan was deliberately bragging, so he persuaded:

“Dad knows that you feel uncomfortable, but we really can't afford them. Let's leave now. Now that Bai Yi earns the money, it is enough for us to spend!”

just!

The next words of Lin Fan completely detonated the audience!

I saw a playful smile at the corner of his mouth, saying:

“Because this is what Lin Zuo said!”
