

Chapter: 1499

The man who was once hailed as the nightmare of the four big families has returned?

Bai Yi was terrified and asked quickly:

“Are you true? Ning Changkong’s big demon really came back?”

The few people glanced at her, and then said:

“Can this be fake? It is said that in this week, Ning Changkong has killed no less than a hundred people in Jiangbei. This time he is about to level the northern and southern provinces!”

boom!

Bai Yi’s face was completely ashes, as if he had lost his soul, and fell to the ground feebly.

It’s over, this one is over!

Ning Changkong hated their Bai family deeply, and now the promotion to Grand Master would never let them go.

Who else can save them now?

“Wait, she seems to be Bai Yi from the Bai family!”

At this time, a big man recognized them.

Then, a group of big men walked away like a snake and scorpion.

Because they knew that now Ning Changkong was about to uproot the four major families, whoever got involved with them at this time might be implicated.

Now Ning Changkong is not what it used to be, and no one can disobey him. Even in the future, he may become the sole ruler of Jiangnan and Jiangbei.

Just listen to this!

Zhu Ru’s family laughed louder, and ridiculed:

“Bai Yi, this is what you call the house leak and it rains overnight, unfortunately!”

“Young Master Lin wants to deal with you, and Ning Changkong wants to kill you too. Is your family the reincarnation of Broom Star?”

“Haha, in my opinion, they have done too many bad things, have they been punished?”

however!

At this time, Lin Fan stood up and smiled:

“My wife, don’t worry! I have heard that this time Jiangnan and Jiangbei have invited Master Lin to deal with Ning Changkong. I believe there will be nothing wrong!”

Master Lin?

Everyone was stunned, naturally they were extremely familiar with this thunderous name.

They all know that Master Lin is very powerful and mysterious, everyone only knows his surname Lin, even men and women do not know.

The two provinces actually asked him to deal with Ning Changkong? real or fake?

However, before Bai Yi could speak, Zhu Ru sneered:

“Don’t dream, that Ning Changkong is a magnificent grandmaster, and his strength is also a leader among the grandmasters! Just relying on that shit Grandmaster Lin to deal with him, I think he is going to die!”

“Hey, Xiao Ru, don’t say that! Master Lin is a hero, anyway, and Young Master Lin is also a dragon and phoenix...”

And Zhu Zhide also looked at Lin Fan with disdain, and sneered:

“Only this Lin Fan is a complete rubbish! Still a daydreaming rubbish!”

But at this moment!

Xu Longxiang brought Kou Jianghuai and others into the arena!

And when they entered the venue, they saw Lin Fan, and immediately subconsciously paid homage to Lin Fan, with boundless reverence in their eyes.

After this month of special training, their strength has doubled.

Therefore, at this time they are all respecting Lin Fan as gods!

just!

Lin Fan quickly stopped their behavior with a glance. He didn’t want to expose his identity now, because he had to frighten Bai Yi and the others.

Kou Jianghuai and the others immediately recovered, and then resisted the impulse, pretending not to know Lin Fan, and walked towards the ring step by step.

But this subtle move still couldn’t escape Bai Yi’s gaze.

“Lin Fan, why did they look at you just now?”

Bai Yi stared sharply at Lin Fan.

“Have it?”

Lin Fan quickly pretended to be silly, stupefied, said;

“Is it your illusion? I don’t even know them!”

just!

Lin Fan overlooked one point. Bai Yi had seen him and Xu Longxiang in contact with them a long time ago, so he naturally knew that Lin Fan was lying at this time.

But at this time, she still didn’t say anything, but she became more sure of her guess that Lin Fan was hiding something from her.

And she must figure out what is going on!

At this time, Xu Longxiang asked Kou Jianghuai and others:

“Do you have any confidence in this legion battle?”

As soon as the voice fell, Kou Jianghuai, Dragon Kwai and others all laughed.

“A month ago, we dare not say that we are confident! Now, we are at least 80% sure!”

They deeply feel that what they have learned from Lin Fan this month is more beneficial than they have been working hard for ten years.

“well!”

Xu Longxiang smiled in satisfaction, and at the same time solemnly reminded:

“Although you are the warriors of my Longya, you are even more of that Mr. Lin’s apprentice, don’t lose his face!”

“As long as you win this competition, I will tell you his true identity!”

boom!

Hearing that, all the generals suddenly showed ecstasy, and they had asked about Lin Fan’s identity more than a hundred times.

But every time Xu Longxiang is tight-lipped!

This just aroused their curiosity more and more, wanting to know who Lin Fan really is.

But now, how can you not get excited when you hear this?

On the side, Solanum and Kou Jianghuai, who had long known Lin Fan’s identity, also laughed playfully.

Seeing all of these warlords’ eyes glowing, as if seeing a peerless beauty, Xu Longxiang smiled slightly:

“After you know his identity, you will know what an honor it is to receive his special training!”
