

Chapter: 1502

Kou Jianghuai at this time was simply ecstatic.

He knew that he would win, but he didn't expect to win so easily.

Originally, he thought it would take at least ten rounds. But in the end,

Wang Xiangfeng was abolished with just one move?

Abolished this man that I could only look up to?

At this time, he wished to kneel in front of Lin Fan immediately and banged his head three times at him.

At this moment, Lin Fan looked like a god in his eyes.

It only took three months for him to grow to such a terrible level.

What if it were three years?

How about thirty years?

After seeing this scene, the members of Longya who were present

finally realized how terrifying the results of the special training were?

All of them cast enthusiastic gazes at Lin Fan, and couldn't wait to know how sacred Lin Fan was.

Qin Xianzhong, who was watching the game, seemed to lose his soul after seeing this scene, and sat on the ground with a thud.

Tears of regret flowed in his eyes.

Because he knew very much that Kou Jianghuai would undergo such a big change, all because of Lin Fan.

Originally, he had the opportunity to double his strength like Kou Jianghuai, but now it is too late to say anything. He missed a great opportunity.

"Impossible! This is impossible!"

Lin Chentao's eyes also showed deep horror.

The number one trump card of their Owl Legion was killed by a single move?

How can he accept this?

A year ago, Na Kou Jianghuai looked like an ant in Wang Xiangfeng's eyes. After only one year, was he enough to kill Wang Xiangfeng in a flash?

Are you kidding me?

Did this guy beat him up?

"Kou Jianghuai, shouldn't have such a terrifying strength, is it because of that instructor newly invited by Longya?"

A master suddenly thought of something and said.

"I also heard that Longya invited an extremely mysterious instructor to give all participating fighters a one-month emergency training. Is Kou Jianghuai the result of the special training?"

"Oh my God! What kind of existence is it that can make Longya undergo such a terrifying change in just one month?"

However, there is more to it!

"Longya, Longkuisheng!"

"Longya, Song Yuansheng!"

"Dragon Tooth..."

Next, the situation is directly showing a one-sided trend, Long Fang completely crushed the Owl Legion, without a single defeat.

And this time!

Lin Chentao's expression was extremely gloomy. He had also heard that Longya had invited an instructor for a month of special training.

But at the time he didn't care about it at all.

He originally thought that even if the instructor had great abilities, it was impossible for Longya's trash to surpass the Owl Legion in just one month.

But now, he was so wrong!

Now, Long Fang has completely crushed them, and if this continues, their throne for three consecutive championships is likely to end here.

At this time, Dong Mingfeng's face also showed deep anxiety:

"Young Master, if we continue like this, we will lose! If Lin Zuo sees us so embarrassed, I'm afraid the cooperation will be ruined."

"Lost? How could I lose?"

Lin Chentao laughed extremely viciously, and a touch of insidiousness appeared in his eyes.

"Great show, just start now!"

And just now!

A dark shadow rushed to the ring instantly, wearing a black robe that couldn't be seen clearly, but it gave people a very unusual feeling.

"It's terrifying!"

When the masters on the scene saw this person, a touch of shock suddenly appeared on their faces.

Lin Chentao also seemed to be holding the winning ticket, haha laughed:

"Xu Longxiang, this is the last chance! I can spare you your life if you give up now, otherwise the soldiers under your hand will become a group of dead bodies!"

what!

When everyone heard this, they were completely stunned.

Lin Chentao is so confident?

Is this all because of this mysterious man in black?

Right now, everyone cast doubtful glances at the man in black on the ring.

But at this moment, at the moment when he saw the man in black appear, Lin Fan's pupils suddenly shrank, and a solemn color suddenly appeared on his face.

Obviously, something has been noticed!

Lin Chentao is more shameless than he thought!

The man in black in front of him, I am afraid that no one besides him can contend.

Right now, he intends to remind Xu Longxiang that there is no way to continue this legion battle today, otherwise all the members of Longya will die here.

just!

Still waiting for him to start, Zhu Ru stood in front of him with a smirk, and said with a vicious smile:

"Want to run? Don't dream, your family must die here today!"
