

Chapter: 1504

All of them have weird expressions.

Although I've heard of the Owl Legion being despicable and shameless a long time ago, I didn't know what it means to be famous as soon as I saw it today.

It's too shameless to invite foreign aid for the Legion War, isn't it? however!

Even more shocking is yet to come!

Just after the great master defeated Kou Jianghuai with one move, he tore off his black robe, revealing an old and sinister face.

boom!

After seeing the familiar face, all the big guys present were like cats and mice, and their legs trembled wildly and uncontrollably.

“Ning...Ning Changkong???”

The person in front of him was the culprit who caused Jiangbei and Jiangnan to panic endlessly.

Everyone had no idea that Lin Chentao actually hired Ning Changkong as foreign aid.

at this time!

Xu Longxiang couldn't help but feel angry, and roared at Lin Chentao:

“Lin Chentao, you even asked Ning Changkong as a foreign aid in the Legion Battle. Do you want to be shameless?”

But instead of feeling a little ashamed, Lin Chentao laughed brazenly:

“What foreign aid? Mr. Ning just joined our Owl Legion yesterday and was named a three-star warlord of the Legion. Is it a problem for the warlord of our Owl Legion to participate in the Legion Battle?”

He had known that Xu Longxiang would say this for a long time, so he was ready to say something from the beginning.

“you!”

Xu Longxiang's face flushed with anger, and he seemed to have no idea that the other party could even say such shameless words.

After all, he underestimated Lin Chentao's shamelessness!

See this scene!

Zhu Ru's family is also ecstatic!

One by one, they immediately cast smirking glances at Lin Fan!

“Lin Fan, have you seen it? The legionary war is about to end soon, and you will be dead soon.”

After Lin Chentao resolved the legion battle, the next step must be to clean up Lin Fan.

Hearing this, the Bai Yi family trembled more severely, and they all regretted why they should listen to Lin Fan's words to participate in this legion battle.

I can't leave even if I want to go.

at this time!

Lin Chentao also felt that the winning ticket was in his hands, so he began to feel complacent, and he took the initiative to provoke Xu Longxiang:

“Old Xu, isn't the new instructor you hired very powerful? Let him take the shot, otherwise your dragon teeth will really lose!”

Xu Longxiang was trembling with anger, but couldn't say a word.

He really wants to ask Lin Fan to take a shot, but if Lin Fan takes a shot, wouldn't it be exposed?

“Why don't you speak, is it a counseling?”

Lin Chentao laughed loudly, then looked around and yelled:

“That waste instructor, don't you get out? Are you afraid that Ning will get old?”

However, there is no reaction around!

Everyone looked around and was shocked. Isn't that instructor really timid?

It turned out to be a counselor!

Then, Lin Chentao sarcastically looked at Xu Longxiang:

“Old Xu, it seems that the instructor you found is a coward? Then such words...”

At this moment, a vicious smile appeared at the corner of Lin Chentao's mouth:

“I killed Kou Jianghuai and forced him out!”

what!

Xu Longxiang's expression was horrified, and he was furious at the moment:

“Lin Chentao, do you dare?”

just!

Lin Chentao smiled strangely, and said with a sullen face:

“I'm all for your sake, I don't want you to lose so miserably!”

“If he doesn't show up yet, then Kou Jianghuai will have to die!”

The voice just fell!

Ning Changkong on the ring was walking towards Kou Jianghuai with a grinning smile:

“Junior, do you have any last words?”

At this time, Kou Jianghuai was not only a little flustered, but on the contrary showed a dismissive smile, as if he was looking at an idiot.

“Ning Changkong, you shouldn't return to China! Jiangnan will be your burial place!”

Ok?

Ning Changkong's eyes were cold, and he didn't seem to think that Kou Jianghuai would have dared to provoke him.

“Okay, then you die!”

Ning Changkong roared, and then stomped down abruptly, and stomped on Kou Jianghuai's head fiercely!

“Lin Chentao, if you dare to kill my soldiers, I will keep you from getting out of the dragon teeth!”

Xu Longxiang was completely furious, and at this time, he really had a murderous heart.

just!

Lin Chentao was scornful and laughed wildly:

“With Mr. Ning protecting me, just relying on your trash, can you move a single hair of my hair?”

“Today, I will kill Kou Jianghuai, hahaha!”
