

Chapter: 1506

what!

Hear the words!

Zhu Ru and others turned their heads, looking at Bai Yi in unimaginable ways.

“Bai Yi, what are you talking about?”

Bai Shan asked with a shocked expression, he thought he had heard it wrong.

Bai Yi swallowed a mouthful of surprised saliva, and then said:

“That person, very much like Lin Fan!”

The atmosphere became weird in an instant, and everyone looked stunned.

Lin Fan, is Master Lin?

is it possible?

just!

puff!

Hahaha!

Zhu Ru burst into laughter first, with a sarcastic smile on her face:

“Lin Fan is Master Lin? Bai Yi, are you crazy?”

“If that trash is Master Lin’s words, do you still need to be your family’s son-in-law? Does anyone believe you?”

“That’s right! Who is Master Lin? He is a famous hero. Even Longya will ask him to be the chief instructor. How many catties of waste in your family are, do you know it?”

Zhu Zhide also laughed sarcastically, thinking that Bai Yi was ridiculous at this time.

Now they all noticed that Lin Fan had disappeared, but no one would associate him with Master Lin at all.

The main reason is that in the past three years, Lin Fan’s performance is too incompetent. There is nothing extraordinary about it. He is a complete soft rice king.

Therefore, no one believes that he will be the master Lin who is famous for the whole city!

“But, he really looks alike!”

Bai Yi still didn’t give up, staring at the figure on the ring.

Would she not recognize her own husband, a man who has slept in the same bed for many years?

just!

Her words immediately evoked even harsher ridicule.

“Like? I think any man who is a little capable, you feel like your husband, don’t you?”

“Bai Yi, don’t daydream! The trash in your family has already left you behind, and you’ve run away by yourself!”

“If he is Lin Fan, I will open up and write three words upside down!”

Even Lin Chentao smiled disdainfully, and said coldly:

“Whether he is Lin Fan or not, there is only one fate against Ning Changkong, and that is death!”

He knows Ning Changkong’s strength well, even if the great master is against him, there is no absolute chance of winning!

This Master Lin didn’t know where the unknown person came from, how could he be compared with the international master Ning Changkong?

And this time!

Na Ning Changkong was pressing hard at every step, and walked towards Lin Fan, with a grinning smile on his face:

“Which piece of your body do you want me to tear off?”

That conceited appearance, as if Lin Fan was already his defeated opponent.

just!

Lin Fan shook his head with a chuckle and said:

“I, it’s been a long time since I killed the Grand Master!”

what!

Hearing these arrogant words, everyone was immediately taken aback!

Then he burst into laughter!

Have you killed the Grand Master for a long time?

What this said is as if he killed a great master like a chicken but a dog, too arrogant, right?

At this moment, everyone was amused by Lin Fan’s arrogant words, and now they thought this was a brainless fool, otherwise how could they say such ridiculous things.

“Kill me? Just rely on you?”

Ning Changkong laughed wildly, his footsteps suddenly stepped on the ground, the floor burst in an instant, and his whole body shot out like an arrow from a string.

A sweep of his legs banged towards Lin Fan’s door, and there was a deafening horrible sonic boom!

“So fast!”

The masters present were all stunned. The speed was too terrifying. In other words, they didn’t even have a chance to react.

See here!

Bai Yi’s scalp was numb, and her face was full of worries. At this time, she began to expect that the person on the stage could not be Lin Fan.

“It’s over! What a disappointment!”

Lin Chentao also sneered and shook his head, as if he could already predict Lin Fan’s death.

just!

As soon as his voice fell, the scene in front of him made him completely shut his mouth.

At this time, a shocking scene happened on the ring, which made the sneers on everyone’s faces completely stiff!

boom!

With a terrifying sonic boom, Ning Changkong’s infinite sweep of his legs was actually blocked by Lin Fan with one hand!

At this time, everyone heard a domineering voice from within the mask:

“It’s wrong, just rely on me!”
