

Chapter: 1507

Ning Changkong is very strong!

Among the great masters, they are all outstanding, but what he happened to encounter was the perverted Lin Fan!

That exhausted kick was actually blocked by the opponent with only one hand.

This scene made everyone couldn't believe it!

"It turns out that Master Lin is also a great master!"

"Oh my God, listening to his voice, he is probably in his twenties? How can this be possible with such a young master!"

Everyone was scared!

This is the real evildoer, a hundred times more terrifying than Ning Changkong!

"Impossible! How could you!"

Ning Changkong was also frightened, staring at Lin Fan in horror, as if he couldn't believe his eyes.

"Originally, if you were not so conceited, I guess it would take you more than 30 rounds to win you, but now..."

"One round is enough!"

With that said, Lin Fan clasped Ning Changkong's leg with his backhand, then clenched his other hand into a fist, and slammed it

down at Ning Changkong's leg!

咔嚓!

That leg snapped instantly, bending upward in a strange arc, as if it had been broken abruptly.

Ouch!!!

A scream of sorrow and wailing like killing a pig was constantly bursting out of Ning Changkong's mouth.

however!

It's more than that!

Lin Fan suddenly grabbed his leg, like a hammer, and slammed it toward the ground!

boom!

boom!

boom!

Click and click!

I don't know how long it took. After Ning Changkong was completely turned into sludge, Lin Fan threw his body on the ring like garbage.

Everyone was so horrified that they stood there as if they had lost their souls, staring at the terrible scene in amazement.

Ning Changkong, just died like this?

Are they dreaming?

This great master, who swept across the two provinces of the North and the South as soon as he returned to the country, caused the two

places to panic.

Hallucinations!

This must be an illusion!

Everyone can't believe their eyes at this time!

Just now, Ning Changkong was still showing great power on the stage, and he defeated Kou Jianghuai with one move. It can be described as majestic and invincible.

How long has it been since then?

He actually died!

Lin Chentao couldn't laugh anymore.

And Zhu Ru's family was completely dumbfounded!

Even Xu Longxiang and others were frightened by Lin Fan.

They thought they were looking high enough at Lin Zuo, but when this scene came, they realized that they were short-sighted.

Lin Zuo's strength is simply not what they can imagine.

As for Lin Chentao at this time, all his thoughts were lost. Looking at the tragic death of Ning Changkong, he knew that the situation was

completely out of control.

He lost!

Lost so thoroughly!

He didn't even dream of thinking that there is such a huge dragon hidden in a little Jiangshi!

Now, Lin Zhu is on the court and has a panoramic view of the game.

He couldn't even win the shame, so what would Lin Zuo think of him after watching it?

Soaked!

Everything is gone!

He never had a chance to cooperate with Lin Zuo anymore, and the duck that came to his mouth just flew like this.

Right now, he was staring at Lin Fan on the ring full of hatred with a fierce look.

It's all this bastard!

If it weren't for him, how could he be frustrated one after another?

He is damn it!

"Lin Chentao, this is how you look down upon Master Lin's fate!"

Xu Longxiang laughed, then strode forward and patted Lin Chentao on the shoulder:

"I'm sorry, this time your Owl Legion, I'm afraid you have to accept it!"

The atmosphere has become weird again!

The Longya member sneered at all, and cast a mocking look at Lin Chentao without any cover.

Even cheating can't win, this is the most ridiculous!

At this moment, Lin Chentao's expression was extremely gloomy, and he even had the urge to kill at this moment.

In his life, he has never been as humiliated as he is today!

What's more, he can already clearly feel the ridiculous gaze that everyone casts at him.

just!

Soon, he thought of something, a grin suddenly appeared at the corner of his mouth, and then he shouted to Lin Fan on the ring:

"Master Lin, I will give you a chance... loyal to me!"
