

# Chapter: 1513

Ouch!

Lin Chentao immediately let out a stern scream and knelt before Lin Fan like a dog.

But at this time, Lin Fan looked at him condescendingly and said with a grinning smile:

“Have you ever thought that one day you will kneel in front of me like a dog?”

In the past, he was inferior to pigs and dogs in the eyes of the Lin family, but now...

The youngest of the Lin family could only kneel in front of him and wait to die!

“Don’t kill me! Lin Fan, I’m your big brother!”

Lin Chentao suddenly panicked, kneeling before Lin Fan, pleading like a dog.

There is no more pride and majesty that everyone should have!

Hahaha!

But Lin Fan laughed out loud, his expression extremely hideous:

“Lin Chentao, the way you look now is exactly the same as when my mother knelt in front of you, please let us go, do you remember?”

“But you, have you let us go?”

you!

Lin Chentao’s expression changed again and again, and then shouted angrily:

“I am the youngest of the Lin family. If you dare to kill me, the Lin family will not let you go!”

just!

Lin Fan sneered and said:

“Do you think that with my current status, I would be afraid of a Xiaolin’s family?”

Little Lin’s house?

If someone else dared to say this, he would definitely be laughed at and arrogant, but if it was Lin Zuo, it would mean something different.

Therefore, Lin Chentao’s face became extremely ugly, because he also knew that there was an existence like Lin Zuo, even the Lin family could not be shaken.

However, there is more to it!

At this moment, Lin Fan leaned into Lin Chentao’s ear and whispered:

“In addition to being the Lin Zuo, I am also the King of the Blood Prison who made the Lin Family scorched!”

boom!

Lin Chentao’s pupils shrank fiercely, and trembling fingers pointed at Lin Fan:

“you you you...”

But when he spoke, Lin Fan shot directly, and suddenly reached out with one hand, and grabbed Lin Chentao’s neck.

Then, suddenly exert force!

唰!

His neck snapped at the sound, and Lin Chentao’s eyes gradually faded in the next instant, and his whole body fell weakly to the ground.

Already died!

boom!

Seeing this, the Zhu Ru family is completely crazy!

Bang bang bang!

They seemed to be crazy, kowtow to Lin Fan frantically, crying violently.

“Lin Fan, don’t kill us! We are your family!”

Lin Fan wanted to be here, so he completely ended their family!

But the moment he saw Shen Yuzhi, he hesitated.

Although Zhu Ru and his daughter were hateful, Shen Yuzhi treated them well, which made Lin Fan hesitate.

At this time, Xu Longxiang also said in Lin Fan’s ear:

“Lin Zuo and Zhu Family have grievances, it is impossible to kill them, if they die, it is inevitable that Madam will doubt it.”

Lin Fan’s face sank, then looked at Zhu Ru’s family coldly:

“If it’s not for the sake of the second aunt, you can only die here today! Remember, there is no next time!”

Just listen to this!

Zhu Ru’s family was immediately ecstatic and nodded like a chicken pecking rice:

“Don’t worry! We won’t dare anymore!”

Now they have learned that Lin Fan is the mysterious forest seat!

That being the case, who would dare to find his fault?

Isn’t this deliberately seeking death?

“Also, I’m tight-lipped about my identity. If Bai Yi knows my identity, you will know the consequences!”

Lin Fan snorted coldly, and then said in disgust:

“Now, you can get out!”

And hear it!

Zhu Ru’s father and daughter thanked him again and again, and then left the scene as if they were fleeing.

At this time, Shen Yuzhi bowed to Lin Fan with a complex expression:

“Thank you!”

At this time, she was so thankful that she didn’t stand with Zhu Ru and the others at the beginning, otherwise today her family would really be dead or alive.

Sure enough, the old saying goes well, but do good deeds, don’t ask about your future!
