

Chapter: 1516

The words are full of viciousness and cruelty!

He didn't even think that it was his grandson, as if Lin Fan had been alive for a day, and he would be uneasy.

Lin Tianxun suddenly laughed, and said with a grim expression:

"Grandpa don't worry, it's just a waste, I kill him like a chicken but a dog! This time, he will die or not!"

"Before killing him, I will broadcast live, let Grandpa take a good look at how I tortured that waste!"

Everyone was silent in the audience!

There was no reaction, as if Lin Fan, who was about to be killed, was just a cat and dog on the side of the road, it was not worth mentioning.

And this time!

The most chilling was a middle-aged man who looked a bit like Lin Fan, who remained silent from beginning to end.

This middle-aged man is Lin Fan's biological father, Lin Zhanli!

The man who had promised to let Lin Fan and her son live in peace and carefree, now he heard that Lin Fan was about to live and die, but he seemed to be a troublemaker.

The expression is indifferent, even a bit contemptuous!

It was as if the dead man was not his biological son.

.....

And this time!

Lin Fan followed in Bai Yi's footsteps and participated in a business meeting together.

At this time, Bai Yi exhorted Lin Fanqian:

"Lin Fan, don't talk nonsense for a while, this time we are going to meet, but an international pharmaceutical seller!"

"Whether our vaccine can go international depends on this cooperation. You must not lose the chain!"

At this time, Bai Yi's face was full of tension, and he kept taking deep breaths to suppress his uneasy mood.

just!

Lin Fan was smiling and calm.

Because this time the cooperation was arranged by him alone.

Before Bai Yi still thought about what to do, Lin Fan had already prepared everything.

Then, the two people walked into the hotel together.

At this time, a handsome blond and blue-eyed guy had already been waiting for a long time.

But at the moment when he saw Bai Yi, he raised his eyelids very perfunctorily, and said casually:

"Let's go!"

Facing the opponent's disdain, Bai Yi was also embarrassed.

But at this time, she didn't dare to have an attack. After all, she still had to ask for help. With the background of the other party, he did have the proud capital.

But Lin Fan frowned. It seems that the person who invited the other party has not explained clearly. Otherwise, how dare to be so bold and even dare to be so disrespectful when he sees him here?

After Bai Yi sat down, he proactively stretched out his hand and said:

"Mr. Mayweather, I have heard of your prestige in the industry for a long time, and I hope you can take care of it in the future?"

just!

Mayweather sneered suddenly and said:

"Don't talk nonsense. For the exported goods in the future, according to the price of 37 cents, I will be three and you will be seven!"

what!

Bai Yi's expression changed suddenly, and the other party was simply a lion's mouth.

They are responsible for a series of production, transportation, labor and so on. These are all costs. If they are really divided into three to seven, they estimate that they can only get 10% of the cost.

How could she agree to this request?

"Mr. Mayweather, can you think about it again? Your request is too harsh for us!"

Bai Yi said with a smile, but at this moment he dared not speak.

"of course can!"

Mayweather changed his expression slightly, and then a touch of licentiousness appeared on his face, reaching out and grabbing Bai Yi's hand:

"The old news is that President Bai has a good name, and he really deserves it at first sight today, so be it! As long as you promise to be my lover for a year, I can consider a 50-50 split, and we will provide transportation and sales channels for free."

boom!

Bai Yi immediately exploded his hair, shook off the opponent's hand abruptly, and then stood up angrily:

"Mr. Mayweather, show respect!"
