

Chapter: 1522

Ok?

Bai Shan was completely stunned, and then angrily said:

“You little brother is too unreasonable, it’s obviously you who hit me, why did you become mine instead?”

Originally, Baishan didn’t want to care about the other party, but the other party’s attitude really made him unacceptable.

“Mad, dare to talk back?”

The waiter suddenly became angry, and then rushed forward and gave Baishan a slap.

With this slap, Baishan slammed into the wall with a bang, and couldn’t get up for a long time.

“You...how do you beat people!”

Bai Shan covered his face and said indignantly.

The other party hit him, but the wicked filed a complaint first, and now he is still beating, which is too much.

“It’s you!”

The waiter said viciously:

“Do you know how expensive these broken wines are? The total amount adds up to 1.3 million, and you lose money!”

“One less son, I’ll break your leg!”

boom!

Bai Shan was stunned in an instant, looking at the drinks all over the floor in horror:

“This...so expensive?”

Then, he explained anxiously:

“Little brother, you have to be reasonable. It was you who hit me just now. How could it be my fault?”

He stopped when he was turning, but the opponent still rushed towards him.

What does this have to do with him?

But Baishan didn’t know that all of this was safe, and the purpose was to frame Baishan.

really!

The next moment, the waiter scolded contemptuously:

“Want to shame, right? You don’t want to see where this is. If you don’t get your money today, don’t want to leave alive!”

then!

He took out the walkie-talkie and shouted:

“Zone B, there is an old and undead horror. Bring Qiren and guys over and show him some color!”

Upon hearing this, Baishan was so angry that tears were about to come down:

“Little brother, you...how can you be so unreasonable!”

“reason?”

The waiter sneered and said:

“Now, Lao Tzu makes sense!”

After hearing the noise here, many people gathered one after another.

However, there is more to it!

“I have also seen it. It is indeed the old man who walks without slamming his eyes. He makes a mistake and makes a strong statement.

It is really shameless!”

A sarcasm followed.

Baishan looked back in doubt, and when he saw the other party’s face, he was completely stunned.

“Li Xijun?”

then!

Baishan suddenly thought of something, a deep shame appeared on his face:

“You arranged all of this?”

Bai Shan is not a fool. From the moment he saw Li Xijun, he knew that this was a carefully planned conspiracy.

Upon hearing this, Li Xijun smiled insidiously, but pretended to be silly and said:

“Old thing, what are you talking about? I just saw you hit someone and didn’t admit it afterwards!”

“Your shameless virtue is very similar to a bitch I know. By the way, that bitch’s name is Bai Yi, do you know it?”

boom!

Hearing Li Xijun insulting his daughter so much, Baishan was completely blown up.

The eye sockets were red, and his face was grim, like an angry bull, rushing towards Li Xijun:

“Bitch! You hurt my daughter so badly, you dare to insult her, I will tear your mouth!”

Because of Li Xijun’s frame-up, it took Bai Yi three full years to get out of that psychological shadow. For this reason, he also suffered from depression.

Now that he sees Li Xijun, he can’t wait to smash him into pieces!

just!

Before he could take a few steps, the waiter stretched out his feet with a sneer and tripped Baishan to the ground.

Not that much!

In the next instant, he stepped on Baishan’s head and said with a grinning smile:

“Old stuff, you have broken our home and dare to harass our guests, you are not brave!”
