

# Chapter: 1523

Seeing that Baishan was knocked to the ground, Li Xijun smiled Schadenfreude.

She can't wait now, wanting to show Bai Yi the tragic situation of her old father.

However, there is more to it!

At this time, Li Xijun laughed unkindly, and then walked up quickly!

Snapped!

Snapped!

Two slaps that couldn't help but slapped directly on Baishan's face.

Li Xijun snorted coldly:

“Old bastard, do you still want to hit me? I don't think you know how to write dead words!”

“You guys, give me a severe lesson! He will have to deduct the money to death. I'm asking you if you are missing a penny!”

Baishan was lying on the ground, almost fainting.

“Beast... beast! You are a beast!”

Their family used to treat Li Xijun so well and treated them as their own daughters, because Li Xijun's family was poor, and they even gave her tuition.

But in the end, she ruined her daughter's great future!

Now it even makes people want to frame him!

This is simply inferior to pigs and dogs!

At this time, Lin Fan waited for Baishan in the box for a long time and didn't see him come back, so he came out to search.

As a result, as soon as he left the house, he saw Li Xijun hitting Baishan. This scene instantly made Lin Fan completely angry.

“You guys are looking for death!”

Lin Fan shouted violently, his face instantly turned hideous, and he flew out directly.

哧!

哧!

Lin Fan didn't have any nonsense. He went up and directly broke the hands and feet of the security guards who had beaten Baishan.

Ahhhhh!

Screams one after another!

A personal security guard fell to the ground one after another, and they didn't even react, they were beaten to the ground.

“you!”

Li Xijun was also taken aback and looked at Lin Fan in disbelief.

How can this guy fight like this?

One person fell down seven or eight security guards in just a while?

If it weren't for Lin Fan's fight against her just now, Lin Fan would like to find a hotel for a friendly match with Lin Fan's current bravery.

“Dad, are you okay?”

Lin Fan helped Baishan up.

“They said that I broke their wine and made me lose money, but it was obviously this little brother who hit me, Xiaofan, you have to believe me!”

Baishan's disheveled spread, and grievedly grabbed Lin Fan's hand.

boom!

Lin Fan suddenly felt that his brain was about to explode, and the hatred in his eyes was so intense at this moment.

He turned his head faintly and stared at Li Xijun coldly:

“You made the ghost, right?”

“This old thing broke the hotel because he doesn't have eyesight, it's my ass?”

“Dead poor ghost, if there is no money to pay, there is no money to pay, where is so much nonsense!”

Li Xijun sneered and looked at Lin Fan contemptuously.

just!

But there was a strong provocation on that face, as if to say:

“The old lady did it, but what can you do to me?”

And this time!

The waiter was also furious, pointing at Lin Fan and yelling:

“Boy, those who dared to beat us by breaking our wine, do you know whose site this is? I'm telling you, you're done!”

At this time, Bai Yi and Shen Yumei also heard the quarrel outside and walked out of the box.

After understanding what happened, Bai Yi sighed and said:

“Forget it, we lose money!”

She also knew that all this was Li Xijun playing tricks in secret, but now she is really in the mood to make a fuss with Li Xijun.

Seeing this, Li Xijun became more and more proud. In her opinion, Bai Yi was confessing.

This bitch, who had always pressed her head, lowered his head obediently in front of her at this time.

This feeling is really not ordinary!

“If you lose money early, it's over? Where is so much bullshit?”

Seeing Bai Yi decided to lose money, the waiter's attitude was still bad, and said impatiently:

“A total of 1.37 million, cash or credit card?”
