

Chapter: 1527

At this time, Zhou Chuxiong was already scared to pee.

Because of the existence of the person who called him just now, the background is scary, and he belongs to the kind that can dominate his life and death in one sentence.

And this time!

Du Yue also saw Zhou Chuxiong, first he was taken aback, and then he greeted him with a smile on his face.

“Boss, you just came here, there is a bastard here who dares to make trouble in our place, I am now preparing to clean him up!”

Seeing Zhou Chuxiong present, Li Xijun also stared at Lin Fan maliciously and sneered:

“Boy, Master Xiong has already come, you are dead!”

just!

In the next scene, everyone present was completely dumbfounded!

Snapped!

Under the horrified gaze of everyone, Master Xiong directly gave Du Yue a slap. This slap could be described as exhausting the energy of milking, and directly knocked Du Yue to the ground.

Senseless!

Everyone was dumbfounded. Master Xiong had just arrived at the hotel. It wasn't Lin Fan but Du Yue who was cleaning up?

And Du Yue also covered his face and asked with an incredible expression:

“Boss, you... why are you hitting me?”

what!

Upon hearing this, Zhou Chuxiong suddenly became angry, and then roared like thunder:

“Why do you still have to ask me face? What good things you did yourself do not know yourself?”

If it weren't for this lost star, how could he be so embarrassed?

At this time, he wished to greet the eighteenth generation of Du Yue's ancestors.

At this time, Du Yue's expression was even more stunned.

What did he do? Why don't you know at all?

“Boss, did you make a mistake? I haven't made any mistakes lately!”

result!

Snapped!

Du Yue's face was slapped again, and his entire face was instantly swollen like a pig's head.

Zhou Chuxiong was so angry that he pointed to Du Yue's nose and cursed:

“Do you still make a mistake? If you make a mistake, Long Jiu will call me in the middle of the night?”

boom!

Upon hearing this, Du Yue was about to explode!

Long Jiu called his boss?

Is it because of him?

OMG!

What did he do to offend Long Jiu, so that he wants to call his boss to clean him up?

At this moment, everyone present was completely dumbfounded!

There was a strong shock in those eyes!

Long Jiu, the commander-in-chief of Jiangnan!

Du Yue even dared to offend him. Is this crazy?

At this time, Li Xijun's expression also changed, and there was an ominous premonition in his heart at this time.

Although she didn't know that Long Jiu, her instinct told her that that person was very scary.

Du Yue instantly seemed to have lost his soul, grabbing Zhou Chuxiong's hand and wailing:

“Boss, I made a mistake! This must be a mistake! I have never offended Long Jiu!”

“Mistaken?”

Zhou Chuxiong kicked him away with disgust, gritted his teeth and said:

“Long Jiu just said, let me come here to solve the problem, if I can't solve the problem, he will solve me!”

“Do you think this is a misunderstanding?”

This!

Du Yue was completely stunned!

Then, he suddenly thought of something, his eyes looked at Lin Fan not far away in horror.

Today, he just offended Lin Fan. Could it be that...

“This matter has something to do with him?”

Noting Du Yue's strangeness, Zhou Chuxiong also looked at Lin Fan with an ugly expression.

Du Yue shook his head quickly. At this moment, he still didn't want to believe that the guy in front of him would be related to Long Jiu.

After all, Li Xijun had told him that the guy in front of him was a door-to-door son-in-law, a little white face raised by his wife.

How can such a waste know Long Jiu?

just!

At this time, Lin Fan curled his mouth, and a cold smile appeared:

“Now you still think it's expensive to spend 10 million to buy your life?”
