

Chapter: 1533

Jiangnan, the most powerful woman?

For Li Xijun, this label was so severe that it frightened her stupidly on the spot.

This woman, who has stayed in this shabby place in Jiang City for a few years, has not become an ordinary person, but now she is still far above her status?

The most powerful person in the province!

Li Xijun couldn't even think of this ultimate dream!

At this moment, she felt that the souls of the dead were all out, and she was about to urinate.

Thinking of her previous humiliation to Bai Yi, she felt that a chill rushed to the sky, making her scalp numb.

"Miss Bai Yi, do you know her?"

At this time, no matter how stupid Mayweather is, he can see the clues.

Before Bai Yi could speak, Lin Fan sneered first:

"Of course I know, your good employee took away my wife's paper back then and got admitted to Harvard University with this."

"How long has it been since I returned to China? I will use everything she snatched from my wife to show off her power in front of my wife. I guess her thick-skinned can block bullets, right?"

what!

In an instant, Mayweather's face was completely gloomy!

This bitch did such an unforgivable thing to the queen?

At this time, Li Xijun also felt that his brain was about to explode!

The cold sweat is like an open faucet, rushing non-stop!

Today's Bai Yi, where can she offend?

But she dared to show off in front of Bai Yi?

Li Xijun is both frightened and ashamed. In Bai Yi's eyes now, his achievement is probably like a joke, but she is still complacent?

I'm afraid that her previous performance was in Bai Yi's eyes, just like the jumping clown, right?

"Mr. Mayweather, I think this employee of your company is not very good. Your company dares to recruit even such employees. This really makes us have to doubt the quality of your company."

Lin Fan asked with a sneer.

Upon hearing this, Li Xijun's face instantly turned pale as paper, and an ominous premonition suddenly appeared in her heart.

"Please rest assured! I didn't know her nature before, but now that I know that she is a corrupt employee, we will naturally not take it in!"

Mayweather said with a cold face, why don't you know what Lin Fan meant?

Although he also heard about Li Xijun's dishonesty, often confused with customers and company executives, and often suppressed his subordinates.

But considering that she ran a lot of business for the group, Mayweather turned a blind eye.

But now I never thought that this damn idiot would even dare to offend Bai Yi. This is nothing short of death!

then!

Mayweather stared at Li Xijun coldly:

"Li Xijun, you dare to offend Miss Bai Yi, you will be expelled from now on!"

"Not only will I be fired, I will also ban you from the entire industry! From now on, any world-renowned pharmaceutical company will never tolerate you as a shameless scum!"

boom!

Hearing this, Li Xijun was immediately stunned, and he knelt down to Bai Yi with a thump!

"Bai Yi, I..."

just!

Bai Yi waved her hand and said with a look of disgust:

"Don't say sorry, because I won't say it's okay!"

"You have done so many things to me without any guilt. Do you think I will forgive you even now?"

Bai Yi has never resented a person so much!

She never cared about what Li Xijun did, but her attitude after doing those things.

Even if it was a false apology, Bai Yi would not put her to death.

Bai Yi is a kind person, kind to both cats and dogs, let alone human.

But some people are worse than dogs!
