

# Chapter: 1536

A soldier yelled, and Li Xijun shuddered in shock and turned his head in panic.

Immediately afterwards, the soldier took the photo in his hand and compared it, then frowned suddenly and walked away quickly.

This action made Li Xijun's heart sink to the extreme, and the feeling of anxiety in his heart became more and more intense.

After a while, a kind-looking old man appeared in front of her and asked with a smile:

“You are Li Xijun, right?”

boom!

She understood everything when she heard her name accurately.

These people really came to her!

She looked at the old man in horror, and asked anxiously: “You...who are you?”

“Chief Jiangnan!”

Before the old man could speak, a soldier next to him took the lead in explaining,

what!

Li Xijun is even more confused, Jiangnan's commander-in-chief?

Isn't that the provincial leader?

This is undoubtedly a super monster!

The background is scarier than everyone she knows!

Even Mayweather can't be compared with it!

But, what did Commander Jiangnan do with her?

At this moment, Long Jiu smiled and said:

“Introduce myself, my name is Long Jiu, now you should know why I came to you?”

boom!

For a moment, Li Xijun was shocked, and a trace of shock and panic appeared on his cheeks.

It made her paralyzed on the ground in shock!

Dragon nine?

It turns out that the old man in front of me is Long Jiu?

Is it the mysterious existence that frightened the male master?

She didn't know who Long Jiu was before, so she didn't care about it at all, but now she is going crazy directly.

That Long Jiu, who was not in her heart, turned out to be the commander-in-chief of Jiangnan?

For her, it was like a dream!

And it's a nightmare!

Understood, she understands everything!

It turns out that the real background is not Bai Yi, but the husband who was treated as a waste by her...Lin Fan!

He was able to order the commander-in-chief of Jiangnan!

And sending an army to arrest him, how terrifying is such a man's identity?

At the moment, she was already crying:

“Yes... Did Lin Fan ask you to catch me?”

Long Jiu also didn't deny it, nodded and said:

“In view of the things you did before, Mr. Lin doesn't want you to leave Huaxia alive, do you understand that?”

Long Jiu's words were filled with deep respect.

And Long Jiu's words seemed like thunder and explosion, making her scared to death on the spot.

Don't let her leave Huaxia alive?

Lin Fan, want to kill her?

“No! He can't do this, I have already admitted my mistake! How can he rush to kill!”

Li Xijun cried directly, already paralyzed by fright.

“Aren't you also unwilling to die?”

Long Jiu coldly snorted, looking at her with contempt:

“Some time ago, you just bought murder, didn't you?”

This!

Li Xijun was completely petrified and looked at Long Jiu incredulously:

“You, how would you know?”

Hear the words!

Long Jiu immediately showed a look of contempt, staring at Li Xijun like an idiot.

“As an idiot like you, every move is under the supervision of Mr. Lin. He already knows what you are going to do.”

“Li Xijun, you have been a dead person since the moment you became murderous against Mr. Lin.”

Senseless!

Li Xijun was completely stunned!

It turned out that Lin Fan had already known what he had done.

She ruined her great future!

Now, even if you don't have a job, you even have to lose your life!

She regretted it!

It was jealousy that killed her!

She had been jealous of Bai Yi all her life, but in the end she killed her because of her jealousy.

“Let me see Lin Fan! Please let me see Lin Fan!”

Li Xijun begged, she wanted to see Lin Fan now, and told Lin Fan to make it clear that he would spare his life.

She was really scared this time!

Unfortunately!

Long Jiu shook his head:

“Sorry, Mr. Lin has already said, no matter what you say, you can't let you go!”

“No! Don't! I know I was wrong! Don't kill me!”

Li Xijun yelled like a mad woman, rushing out of the crowd and about to flee, stumbled out of the cabin.

At this time, Li Xijun was already mentally disturbed because of fear, so he knew that he couldn't escape, but he still fled like crazy.

Throughout the whole process, Long Jiu just sneered, without any hindrance.

Li Xijun got out of the cabin by himself, which saved him trouble.

After Li Xijun completely ran out of the cabin, Long Jiu took people out without any haste.

Bang bang!

Two gunshots, everything is quiet!

The plane continued to take off, everything was as if nothing had happened, silently.
