

# Chapter: 1541

And this time!

Hearing Lin Fan's extremely arrogant words, Lin Tianxun also frowned tightly.

I really can't figure out that guy, where is the confidence to say this to him!

Is it because of that Master Lin?

At the moment, there was a feeling of irritability in his heart, as if something bad was waiting for him.

That trash can make him feel scared?

It's just that this feeling didn't last too long.

Because in the next moment, he had already cast his gaze on a pale-skinned man not far away.

The man is wearing a T-shirt and jeans with cloth shoes under his feet. He looks like an ordinary young man.

But only Lin Tianxun knew how terrifying the man in front of him was!

He watched this man with his own eyes, tore a great master alive with his bare hands, and singled out a group with his own strength without losing the wind.

He is hailed as the most rare genius in southern Xinjiang in a hundred years, and the young witch master of the witch sect in southern Xinjiang!

Liu Feifan!

A great master who is only 30 years old, this is the future figure of China!

"Young Witch Master, that Master Lin is already on the way, and I can rely on you for a while!"

At this time, Lin Tianxun actually knelt on Liu Feifan, and said respectfully.

"Don't worry, my Wugu Cult even agreed to make a move. Then I won't break my promise, but don't forget your promise."

Liu Feifan looked at Lin Tianxun faintly. The reason why he was willing to take action against a great master was because Lin Tianxun had promised him before that as long as he could kill Lin Tianxun, after Lin Tianxun became the head of the Lin family, Will definitely serve them witch sect.

Now, they have the strength of Wu Gu Sect, but what they lack is influence!

Therefore, we must rely on the strength of the Lin family!

In other words, Lin Tianxun will become a slave to Witch Gu Sect and will be sent by Witch Gu Sect for the rest of his life.

But as long as he can seize the position of Patriarch, Lin Tianxun can't take care of so much. Be a dog when you are a dog!

"Of course, the great kindness of the Wugu Sect, Tianxun must be unforgettable!"

Lin Tianxun said solemnly, with a deep awe on his face:

"Young Witch Master, what is the name of Master Lin, his strength should not be underestimated, he killed a great master not long ago, you see..."

Ok?

Liu Feifan's face suddenly fell cold, and said:

"Do you think I am inferior to him?"

"of course not!"

Lin Tianxun quickly denied it, and his whole body was standing upright. At this moment, it was cold sweat.

"Regardless of that guy's great ability, facing the Young Witch Master, you will only have a dead end. I have no doubt about that."

Humph!

Liu Feifan suddenly snorted and said:

"It's good if you know! I, Liu Feifan, have not met an opponent for more than 30 years. No matter how sacred the Master Lin is, there is only a dead end against me."

"Yes Yes Yes..."

Lin Tianxun nodded quickly and said yes, this time also gradually relieved. ,

At this time, he was also extremely sure, as long as Lin Fan dared to come tonight, he would definitely die!

The man in front of him was enough to smash him into pieces!

However, at this moment!

boom!

The gate of the courtyard was lifted out suddenly!

It turned into powder in an instant, and was torn to pieces by that majestic force.

Then, a tall posture suddenly appeared in front of everyone!

"Lin Fan!"

The moment Lin Tianxun saw the opponent, his eyes were full of murderous intent!

Then, a brutal smile was drawn at the corner of his mouth. As long as Lin Fan was killed, then he would go one step further in reaching the top of the Patriarch.

just!

Next, he frowned and said angrily:

"Where is Master Lin, let him get out and die!"
