

Chapter: 1566

Exploded! Exploded!

It was completely blown up!

Hearing these words, whether it was Jin Chengen or the others present, he felt that his heart was pounding and pounding wildly.

They simply can't imagine!

Lin Fan, this trash, turned out to be the owner of this hotel?

What a joke!

Isn't this guy a waste of soft food?

Why did you become the boss?

"Impossible, this is impossible!"

Jin Chengen also yelled in horror, his face full of disbelief.

"This is a hotel under the Universal Group. The cost alone has exceeded 10 billion. He is clearly a little boy who eats soft food. How could he be so rich?"

Don't say it's him!

Even Bai Yi covered his mouth in surprise at this moment, this hotel turned out to be Lin Fan?

damn it!

How many secrets does this bastard keep from himself?

moment!

Everyone present felt cold sweat, and cast their horrified gazes at Lin Fan. Is this guy Mr. Lin?

This... how is this possible!

At this moment, the audience fell into a dead silence!

Everyone looked at Lin Fan like this and couldn't say a word, they were completely frightened.

They humiliated Lin Fan just now. With Lin Fan's background and wealth, if they want to retaliate against them, wouldn't it be a matter of minutes?

Thinking of this, Liu Biqin couldn't get arrogant anymore, her face was full of fear, and she almost collapsed on the ground in fright.

Fear!

disturbed!

However, Lin Fan seemed to be troublesome, he didn't care about their reaction at all, and he held the only remaining cup of Romani Conti in his hand.

"Well, the game is over!"

He took a sip of his wine, then put the glass on the table, and said to the manager with a sneer:

"Manager Liu, you can start to clear the floor!"

"Yes, boss!"

The manager nodded respectfully, then looked at Jin Chengen coldly:

"Will you go by yourself, or I will drive you out!"

In a word, everyone present was blushing, and for a moment they didn't even know what to say.

At this time, no one dared to humiliate Lin Fan anymore, because they knew very well that they could not afford to offend the man in front of them.

"You... don't you eat soft rice?"

Jin Chengen looked at Lin Fan with a gloomy expression, and being able to own a five-star hotel under the umbrella of Global Group means that this guy will not be any worse than himself!

Lin Fan smiled and said:

"Who told you that eating soft rice must be a waste? Because I love her, I am willing to let go of my life and take care of her wholeheartedly, can't it?"

boom!

When Bai Yi heard this, his whole body was instantly stunned!

It turned out that the reason why Lin Fan endured the humiliation in their house was all because of himself.

But she misunderstood Lin Fan time and time again, thinking that he was just a trash that didn't want to make progress.

Bai Yi was so touched that he couldn't speak!

Lin Fan, is a great master!

The boss who owns a five-star hotel!

But for his own sake, he was willing to abandon all the honor and dignity, and he was willing to be a family man just to take care of her!

This alone is nothing compared to a hundred Jin Chengen!

"Open the door to do business, we are also spending here, why are you driving us out!"

"There are no such rules!"

Liu Biqin said unconvincedly.

But Lin Fan glanced at her faintly, then sneered:

"Manager Liu, add a rule to the hotel in the future, as long as the boss is not happy, you can throw anyone out at any time!"

"Yes!"

Manager Liu agreed, then took out the walkie-talkie and said viciously:

"All come up! Someone is making trouble!"
