

Chapter: 1568

At this time, everyone's hearts are mixed.

I regretted why I was so rude to Lin Fan just now, and missed the great opportunity to flatter him, now I can't say anything.

"Mr. Mayweather, please help me intercede! I know I was wrong, and I will never pester Bai Yi again, please let the genius doctor Lin forgive me!"

Jin Chengen knelt down with a puff, trembling all over, almost frightened to pee.

This time when he came to China, he came to the genius doctor Lin for cooperation on the order of his old husband.

If his father-in-law knew that he had offended the genius doctor Lin, then he would be completely finished!

Mayweather was exasperated and stared at Jin Chengen coldly:

"Jin Chengen, if it were you, would you forgive him?"

This!

Jin Chengen was speechless!

The answer is naturally no!

Then, Mayweather's cold eyes glanced back and forth in the crowd:

"A group of idiots, how distinguished their status is, they still don't look down on you, what qualifications do you have to look down on him?"

"Originally as that person, as long as you just mention a few words, you will be able to rise to the top!"

"But now... go eat S!"

Finish this sentence!

Mayweather left with a big laugh, full of contempt and sarcasm in that laughter.

After he left, everyone fell on their chairs feebly, with mixed feelings in their hearts.

"Asshole!"

And Jin Chengen also slammed a fist on the table in anger, his face was full of hideous colors:

"I won't let you go!"

Talking!

He took out his cell phone directly, then dialed a call, gritted his teeth and said:

"Uncle Li, I have something to ask you for help!"

.....

But this time!

"Lin Fan, how many things are you hiding from me?"

When he walked out of the hotel, Bai Yi stared at Lin Fan angrily:

"Are you really the owner of this hotel?"

Lin Fan looked embarrassed and said:

"That's it, no one! As a master, it makes sense for me to have a luxury hotel worth tens of billions, right?"

He didn't dare to say anything else. If he said it, Bai Yi wouldn't be crazy!

"It's reasonable, but why are you lying to me?"

Bai Yi did not accept this explanation.

Lin Fan couldn't laugh or cry, saying:

"I'm not afraid to tell you, you won't be able to accept it for a while!"

"Then can I accept it now?"

Bai Yi angrily grabbed Lin Fan's ear:

"Well, you Lin Fan, you are also a great master, and also a big boss! In the end, I was pretending to be a silly waste, causing me to be laughed at!"

"Go home! Kneel on the washboard!"

Lin Fan suddenly cried and said helplessly:

"You still kneel?"

But in the morning of the next day, Lin Fan took Bai Yi's family to the top of a mountain.

"This is Yulong Bay?"

When they got to the place, they were dumbfounded.

On the left is close to the bay, you can see the vast sea area, on the right, facing the metropolis, you can see the lights of thousands of houses!

This is the most real estate in Jiangshi, Yulong Bay!

Seeing the two stone lions over five meters high at the door, their family was immediately frightened.

Oh my!

Just a doorway, so grand!

Yulong Bay is worthy of being the most expensive unit in Jiang City!

"Xiao Fan, why are you taking us here? Let's go quickly, this is not a place where we can come!"

There are some inferiority roads in Baishan. There is only one car with less than one million cars on the road. You can imagine what kind of people are living in it.

He has never seen so many luxury cars in his life!

Therefore, in this place, it is inevitable to feel a little out of place.

However, Lin Fan's lips curled up:

"Well, I want to buy a house!"
