

Chapter: 1570

Ok?

This self-confident performance stunned Zhu Yuqing and her son.

“Does this guy really bought a house in Yulong Bay?”

Zhu Yuqing frowned.

“How can it be?”

Lu Danqing sneered and sneered:

“How can a waste who eats soft rice have so much money? You must know that the house in Yulongwan must be paid in full, and loans are not accepted.”

“Do you think he is so poor, like someone who can take out more than ten million?”

Upon hearing this, Zhu Yuqing also felt reasonable, and then snorted coldly.

“Want to pretend to be in front of us? I really blinded him, go! Make him embarrassed for a while!”

At this time, Shen Yumei and Baishan were also worried.

“Bai Yi, why is Xiao Fan so impulsive? Zhu Yuqing and the others are not so foolish, and in a moment he will be embarrassed.”

Yeah, he was finished just now, but he just wanted to lose face, how does this end now!

Hey!

Bai Yi also sighed and said,

“Let’s take a look first!”

Then a group of people followed in the footsteps of Lin Fan and walked towards the Yulong Bay.

Just, soon!

Lu Danqing sneered at Lin Fan.

“Lin Fan, you can still pretend, do you know where you brought us? This is a super residential area, which is the most expensive area in the entire Yulong Bay!”

“The villas inside are all in units of 100 million yuan, and the cheapest ones are more than 200 million yuan. Do you want to tell us that you are buying a two million yuan super mansion?”

So expensive?

The Baiyi family was shocked, what house cost more than two billion yuan, the palace?

Hearing this, Shen Yumei suddenly sighed, Lin Fan was really bragging.

Real estate of more than two billion yuan, let alone Lin Fan, even the current Bai Yi can’t afford it, right?

How could Lin Fan have so much money?

This is over!

Lin Fan was afraid that he would be humiliated by himself.

However, Lin Fan just smiled lightly and said casually:

“Is there a problem?”

puff! Hahaha!

Lu Danqing and Zhu Yuqing burst into laughter directly.

Lu Danqing gave Lin Fan a thumbs up and laughed:

“Lin Fan, I’ll take it! If you say that thick-skinned is second, you are absolutely daring to say first, you will be exposed at this time, and you can still pretend? On the shamelessness, I will bow to the wind!”

And Zhu Yuqing also giggled, staring at Shen Yumei playfully:

“Yumei, you son-in-law is too weird, right? Can you tell nonsense with your eyes open?”

“It doesn’t matter if you rely on women for food, and now you are still pretending to be forced, isn’t this self-inflicted humiliation?”

Shen Yumei was also embarrassed. At this time, she didn’t even have a reason to refute.

Lin Fan just pretended to turn his head and slapped himself in the face!

Bai Shan sighed and took the initiative to relieve Lin Fan:

“Xiao Fan, I’m not very well today, can you take me home? I will come to see your new house when Jiai Ming’er has time.”

He didn’t want to see Lin Fan lose face and be laughed at by Lu Danqing and the others.

Lin Fan also knew his thoughts, so he said with a wry smile:

“Dad, I really came to the house here, you will know after reading it!”

“You kid...Oh!”

Bai Shan shook his head, he didn’t know what to say, he obviously got down the steps of Lin Fan, but Lin Fan was still stubborn, still going his own way.

This time was completely over, it was impossible for Lin Fan to keep this face.

Obviously!

He didn’t think Lin Fan had the ability to buy a house in this super residential area!

“Then what are you doing in a daze? Take me to see, your billion-level villa!”

Lu Danqing sneered, staring at Lin Fan maliciously, this kid really couldn’t see the coffin without crying.

Bai Yi also pulled Lin Fan by the corner of his clothes, angrily said:

“What the hell are you doing, my dad kindly gave you down the steps, don’t you appreciate it? Let’s go quickly!”

Obviously she doesn’t think Lin Fan has the money to buy a house here.

But Lin Fan just smiled slightly:

“You wait and see!”

Having said that, he took a step forward and walked towards the stunt villa area.

However, the moment he crossed the boundary!

The mutation happened!

Zhu Yuqing and Lu Danqing looked at each other, and then they laughed unkindly.

Immediately afterwards, Zhu Yuqing shouted:

“Come here! Someone has trespassed into the super villa area!”
