

Chapter: 1580

“So now I have to make up for my regrets at the beginning!”

Then, Jin Chengen said in a commanding tone:

“Immediately divorce that trash and be my lover!”

“You dream!”

Bai Yi refused without thinking, gritted his teeth and said:

“My husband will definitely find a solution, you don’t have to think about it!”

just!

Hahaha!

Jin Chengen laughed wildly, as if he heard Tianda’s joke:

“Bai Yi, do you count on him? Tell you the truth. If I nod my head in this matter today, the customs will not let it go. Just wait for bankruptcy!”

“If that can help you solve it, I, Jin Chengen, will eat shit on the spot, hahaha!”

There was a deep disdain in the voice!

But as soon as he finished speaking, there was a contemptuous sneer outside the door:

“Then you are ready to eat today!”

Then, Lin Fan and Mayweather strode in.

“Lin Fan!”

Seeing Lin Fan, Bai Yi hurried towards Lin Fan as if she saw her own life-saving straw.

How does that go?

Lin Fan smiled slightly and said:

“Don’t worry, it’s all solved. The vaccine will be returned in a short time. I have arranged a ship and we will send the vaccine directly overseas as soon as it is returned.”

call!

Bai Yi suddenly let out a long sigh of relief, rushed into Lin Fan’s arms, and said with tears:

“Husband, if you don’t have you, what should I do?”

She found that every time she encountered danger, Lin Fan could easily help her solve it.

Lin Fan is like her patron saint!

She is very fortunate that she can marry such a man.

And seeing this, Jin Chengen was almost crazy with jealousy, and looked at Lin Fan coldly:

“Only you? What a joke! I don’t believe Li Xiaoming will let it go!”

What if Lin Fan is Lin’s genius doctor?

Is it just a doctor?

What’s so great?

Is it possible that you still want to influence the officialdom?

At this moment, Lin Fan patted Bai Yi on the shoulder, and at the same time looked at Jin Chengen coldly:

“Believe it or not, just call him and ask, don’t you know?”

what!

Jin Chengen’s expression suddenly changed. Seeing Lin Fan’s vows, he was a little panicked.

Right now, he took out his cell phone and dialed Li Xiaoming’s number!

However, one minute, two minutes, three minutes...

He made seven or eight calls, and Li Xiaoming on the other end finally got through.

“Uncle Li, what the hell is going on? You let it go?”

Jin Chengen asked impatiently.

On the other end, there was another man’s majestic voice:

“Li Xiaoming has now been officially arrested for accepting bribes and is currently being detained!”

boom!

Jin Chengun immediately exploded his hair!

Li Xiaoming was arrested?

how can that be?

He only talked to Li Xiaoming on the phone an hour ago. How could he be arrested in a blink of an eye?

Is it because of the man in front of me?

Jin Chengen looked at Lin Fan in horror, his eyes seemed to be staring out, the kind of horror was hard to describe in words!

This...

What exactly is going on!

However, there is more to it!

The man on the other end continued to ask:

“Who are you? Did you bribe Li Xiaoming? I advise you to surrender immediately and fight for a lighter sentence!”

Toot toot...

Jin Chengen hung up the phone quickly, a deep horror appeared on his face, and he was obviously frightened.

From his reaction, Bai Yi and others could also feel that Lin Fan must have done something incredible!

Otherwise, how could Jin Chengen be so scared?

Right now, he looked at Lin Fan in horror:

“You...what did you do?”
