

Chapter: 1581

“What? He refused our request and refused to return the goods and let them go! Then we can only reluctantly and send him to prison!”

Lin Fan said lightly.

But Jin Chengen could hear his scalp numb. Li Xiaoming is nothing, but he has a brother-in-law who is a provincial-level boss.

Can't keep it like this?

Master Lin, has such an influence?

How is this possible!

“You can fulfill your promise and start eating shit!”

Lin Fan said with a smile but a smile.

“Yeah, didn't you just be arrogant? I tell you, my son-in-law is better than you!”

“What kind of thing are you, how could my daughter like you for trash?”

Shen Yumei also smiled gleefully:

“You are not worthy of shoes for my son-in-law!”

At this moment, Jin Chengen only felt ashamed and embarrassed.

I thought that Bai Yi would be eaten, and Bai Yi would be able to climb into his bed tonight. Who would have thought that because of Lin Fan's nosy.

Not only did he ruin his good deeds, but he also made him so embarrassed in front of others!

At the moment, Jin Chengen said with a gloomy expression:

“I won't let you go!”

With that said, he planned to leave!

just!

How could Lin Fan let him go so easily?

“As a man, you have to do what you say! If you don't keep your promise today, don't want to leave here!”

The voice just fell!

Mayweather winked at his bodyguards, and then a group of people strode forward and surrounded Jin Chengen.

what!

Jin Chengen panicked immediately and said with an ugly face:

“Lin Fan, what do you want to do?”

Lin Fan just sneered and said unkindly:

“You killed my wife and almost lost 10 billion for no reason. Do you really think I will let you go easily?”

“You really want me to eat... what do you eat?”

Jin Chengen suddenly gritted his teeth, his eyes gushing with hatred, he can't wait to shatter Lin Fan's body!

If he really eats, how will he be a man after that?

He couldn't do such a disgusting and insulting thing!

but!

It is precisely because of the difficulties that Lin Fan has to let him do it, attacking his dignity, insulting his personality, and making him worse than death!

“Lin Fan, do you know who I am? I am...”

Jin Chengen suddenly yelled arrogantly.

But the words are still not finished...

boom!

A punch was a heavy blow on his abdomen, causing Jin Chengen to spit out a mouthful of blood.

The whole person suddenly knelt on the ground, and a painful color appeared on his face.

At this time, Lin Fan's face was gloomy, and his voice was full of killing intent:

“I'm not asking for your opinion, if you don't want to, then die here!”

boom!

At this moment, Jin Chengen exploded his hair directly, and looked at Lin Fan in horror. He could feel it that Lin Fan was really planning to kill him.

Right now, he didn't dare to be arrogant anymore, and said pitifully:

“But, there is no such thing here...”

Ho ho!

Lin Fan sneered, then looked at Mayweather:

“I think this is not a problem for us?”

Mayweather also gave a weird smile, and then said quietly:

“In the community, it is inevitable that several households have pet dogs. It is not difficult to think about it!”

Damn... Damn it!

Jin Chengen immediately looked like his father and mother had died, and that face was directly green.

These two people will not give up unless they die?

In a short while!

Mayweather's men came in with a bag of dark things!

It was directly thrown in front of Jin Chengen!

The pungent stench directly caused Jin Chengen to retching again and again!

Thinking of what he was about to face, two lines of clear tears flowed directly from the corner of his eyes.

He looked at Bai Yi with great pain:

“Bai Yi, save me!”
