

Chapter: 1582

But Bai Yi turned his head directly!

Now she is not only disgusted with Jin Chengen, but even a little bit of hatred!

See it!

Jin Chengen is completely desperate!

However, there is more to it!

At this time, he found that the hall was full of people at some point.

“Yumei, I heard that someone in your family is performing to eat S, so let’s take a look at Hot!”

“Yeah, yeah, I have lived so much, and I have never seen anyone eat S. Today is an eye-opener!”

“Oh, this young man, who is white and well-dressed, has such a special hobby?”

boom!

Hearing that these neighbors in the neighborhood came to see themselves eating S!

What’s more, he treated it as a performance, and he was about to vomit blood.

unacceptable!

This is simply playing him like a monkey!

At this moment, a deep hatred appeared in Jin Chengen’s heart, and he looked like he was going crazy.

“Lin Fan, there is absolutely no need for you to do this! I can not harass Bai Yi in the future, and I can compensate you as long as you let me go!”

Jin Chengen quickly looked at Lin Fan.

“It seems that you don’t care much about Bai Yi!”

Lin Fan sneered, looking at each other playfully.

Hearing this, Jin Chengen almost cried.

I want to care, but if I care, I have to eat S. Who can stand this?

“Do you eat by yourself, or I will let people feed you!”

Then, Lin Fan asked condescendingly.

“Lin Fan...no, Mr. Lin, give me a chance!”

Jin Chengen said in horror, trembling all over, especially after seeing Lin Fan’s hideous face, he was about to pee.

But Lin Fan ignored it at all, but said coldly:

“It seems that we are going to feed you!”

The moment the voice fell!

A group of bodyguards forcibly pressed Jin Chengen to the ground, and then picked up a handful of them without saying anything, and stuffed them toward the other’s mouth!

Oh oh...

Jin Chengen kept shook his head, but he still had two fists hard to beat four hands, and he was quickly confused with his mouth full!

“Huh~”

Everyone on the scene showed a disgusting expression, as if even looking at each other once more, they felt like a long needle eye.

This is too disgusting, right?

Really ate it!

Ten minutes later, the stinking, dark-faced man stumbled out of Bai’s house.

Li Jinen’s tears came down. In just ten minutes, he realized what hell is!

That was the most humiliating and darkest moment in his life, full of endless despair!

“I want you to die! I want you to die!”

He gritted his teeth and growled, his eyes full of resentment!

.....

But in the middle of the night, Lin Fan was suddenly awakened by a text message!

Lin Fan took out his phone and took a look, and then his pupils suddenly shrank!

Because the content of the information turned out to be photos of their family’s life, including the scene of the Baishan couple shopping for vegetables and Bai Yi working in the office.

The other party wanted to tell Lin Fan that since they could take these photos casually, they could also kill his family casually!

then!

Lin Fan’s cell phone rang, showing an unknown call!

He frowned, and then pressed down the amplifier!

“Lin Fan, have you seen all the photos?”

There was a female voice on the other end, and the other side’s voice was cold into the bones, and also revealed a chilling killing intent.

“who are you?”

Lin Fan asked in a low voice, he hates being threatened!

Very annoying, very annoying!

“Lin Chentao’s mother, Mei Yingxue!”

Lin Fan was taken aback, then laughed:

“Then I have to call you auntie?”

boom!

The woman on the other end was completely blown up when Lin Fan was still smiling hippie!

He roared directly on the other end:

“Shut up! A bastard like you doesn’t deserve to be called my eldest aunt. He is even more qualified to be the Lin family!”
